Berlin, Jan. 18—Germany today notified France and Belgium there is danger of a collision between the allies and German forces if the occupation of the Ruhr valley is extended further toward Muenster.

An unconfirmed dispatch from Dortsmonth said the French were resuming their advance toward Hamm, which is also in the general direction of Muenster.

Transports and thirty tanks are moving from Dortsmonth toward Dorsfeld.

Essen, Jan. 18—The arteries of German industry, canals and railroads that carried fuel and steel from the heart of the Ruhr to the rest of Germany, were gripped by the French invaders of the Rhineland today, as additional punitive measures to enforce coal deliveries went into effect. There is now no road out of the Ruhr not controlled by France's armed forces.

Forests of the Rhineland are to be worked by the allies, as well as coal mines, if German miners persist in their refusal to work under French bayonets, and no pains are to be spared, it is stated, to make the occupation of the Ruhr a success.

In the face of additional penalties, threats of court martial for the Ruhr's most prominent mine owners, and further seizure of territory, the Germans remained adamant to stubborn will of the invaders.

The national coal commission repeated its prohibition against deliveries of coal to France and Belgium.

Disturbances at Dortmund, Luenen and Essen failed to lead to serious trouble.

France's punitive measures were put into effect deliberately here and there throughout the Ruhr today.

French engineers, who had been stationed at Essen, scattered mysteriously to various sections of the Ruhr.

WAR PREPARATIONS

Stockholm, Jan. 18—Russia's Red armies on the move today and a "war-like situation" has been declared in the Smolensk military district, according to Moscow reports to the Stockholm Tidningen today.

Soviet troops at Vitebsk were ordered held in readiness to march southward in full war equipment.

Pontoon bridges were thrown across the river Dwina.

The Red troops were apparently preparing to move to Polotsk, from which point an attack upon Braslav, now held by the Poles, seemed likely.

There was talk of Russia aiding Germany, if the latter decided to resist the French invasion by force of arms. Apparently the present troop movements are entirely a Russian enterprise however.

Constantinople, Jan. 18—Turkish armies at Daridza and Herak march in war-like review before Mustapha Kemal Pasha today.

The Turks moved up to the frontier line drawn around Constantinople.

Mustapha Kemal, head of the Angora government, and commander in chief of the army, declared war in the Near East is inevitable unless Europe changes her mentality.

ALIENATION CASE IS GIVEN TO THE JURY

Evidence All Submitted In Suit For
\$10,000 Damages, Which Draws
Large Crowd To Court

ARGUMENTS THIS AFTERNOON

The \$10,000 alienation of affections suit came to an end this afternoon late, when the case was given over to the jury for a verdict, after hearing the evidence for three days this week.

The plaintiff, Edna Miller, is demanding judgement from Burton Miller and Myrtle Miller, her parents-in-law, who are alleged in the proceedings as having been responsible for the separation of the plaintiff and her husband.

The case today was attracting one of the largest crowds since the case of the state against Clevenger, and the court room was filled with interested people from Walker and Posey townships, where the various parties are well known.

Each side was allowed two hours for arguments today, and the concluding statement was made about 2:30, giving the case to the jury shortly before three o'clock, following the instructions of Judge Sparks.

NEGOTIATIONS BROKEN OFF

British Commission To Present American Debt Funding Plan

Washington, Jan. 18.—The American and British debt funding negotiations were broken off here today in order that the British commission might return to their country and present the American position on the five billion dollar war debt to Premier Bonar Law.

The entire British mission will sail from New York for England Saturday. The two commissions failed to reach a tentative agreement.

Subsequent negotiations will be conducted throughout the British embassy here.

AN APPRECIATION

The Citizens of Milroy and vicinity wish to express their sincere thanks to the mayor, the Fire Company and the Citizens of Rushville for the ready response and effective work done at the fire of our school building Tuesday night. The fire company made a quick run, handled the equipment skillfully and rendered all necessary assistance with dispatch and hearty good will.

The great relief to the citizens to know that a great fire fighting machine was there to protect their property was a thing of the greatest relief and satisfaction.

Should unfortunate circumstances place Rushville in need of similar services we assure it that we will be only too glad to respond.

Sincerely,
CHARLES S. HOUGLAND
Chief Fire Department

FIRE PROTECTION PLANS TAKE SHAPE

Following Destruction Of School Annex, Milroy Prepares To Organize Fire Company

IT WILL BE INCORPORATED

Papers Are Received And Stock Will Be Sold To Raise Money For Motor Equipment

Agitation for better fire protection in the town of Milroy, was taking shape today, as the result of the fire Tuesday night, and also because of several fires which have visited the town recently.

Last spring a committee of five was appointed to represent the fire board, and steps were taken to organize a volunteer fire fighting force, with a motor equipment and pumper attachment to be purchased by public subscription, the subscribers to own shares of stock.

It was estimated that at least \$4,000 would be required for the purchase of a machine, and fire hose. On account of the town not being incorporated, it was necessary to have the fire department incorporated and approved by the state fire marshal, but the necessary papers were not received until a few days ago.

It is the plan of the association to sell stock to people in Milroy, who shall have free protection from fire.

CENTER TOWNSHIP MAN DIES SUDDENLY

Body of Perry B. Steele, Age 74 Years, is Found in Out Building Wednesday Night

APPARENTLY IN GOOD HEALTH

Perry B. Steele, age 74 years, a well known farmer of Center township, and a lifelong resident of this county, expired suddenly Wednesday night about eight o'clock at his home, death being caused from heart trouble.

The deceased was apparently in good health. He had eaten a hearty meal last night, and soon after supper his body was found in an out-building where he had gone, taking a lighted lantern with him. The deceased lived on his farm, and Mr. and Mrs. Albert Peters lived in the house with him.

The residence is located one mile north and a half mile west of Center. His wife expired about four years ago. Two brothers and four sisters survive. They are E. J. Steele and Edward Steele of this county, Mrs. Lizzie Duke of near Spiceland, Samantha Duke of Newcastle, Katie Benjamin of Indianapolis and Sarah Wilson of California.

The funeral services will be held Saturday afternoon at 1:30 o'clock at the Center church and burial will be made in the cemetery nearby.

PUPILS ENJOYING A VACATION TODAY

Second Semester Of School Year
Will Begin Friday And Pupils
Will Get Report Cards

CHANGES IN HIGH SCHOOL

Vivian Harris, Mathematics, Resigns
And Raymond Allen, Wabash
Graduate Is Engaged

Pupils in the Rushville public schools were enjoying a vacation today while teachers were grading mid year examination papers and marking up report grades preparatory to presenting them to pupils Friday when the second semester of the school year begins.

Miss Vivian Harris, mathematics instructor in the high school, has resigned her position here, it was announced today, to accept a similar one in the Crawfordsville high school. She will be succeeded by Raymond H. Allen, a mid-year graduate of Wabash college.

Mr. Allen is completing his four-year course at Wabash, Crawfordsville, Ind., this week, and will be here Monday to take up his duties as instructor in mathematics. His qualifications are sufficient for him to get a professional license to teach, after two years of actual experience, he will be entitled to a life license.

Mr. Allen has had experience as a teacher even though he is just now graduating from college, by reason of having taught three classes a day in the Crawfordsville high school during the present term, in addition to his college work. He will receive his diploma from Wabash with the class graduating in June.

Miss Harris has taught mathematics in the Rushville high school for three and one-half years and regrets very much to leave here. She accepted the position in Crawfordsville because it is her home, and for the additional reason that it will give her an opportunity to teach a few classes in public speaking.

Miss Harris is a graduate of De Pauw university. She has won many friends here who regret to see her leave. Besides her work in school, Miss Harris' services will be missed in the high school and community orchestra, as she is an accomplished cornetist. She was also a valuable member of the Little Theatre Society of Rushville, having

FRIDAY HOG DAY IN RUSH COUNTY

Problem Of Saving Pig Crop Will Be
Discussed At Meeting In Court
House Assembly

SWINE SPECIALIST TO TALK

Friday, January 19, will be hog day in Rush county, according to announcement made today by the county agents office. A big county hog meeting has been arranged for the afternoon, beginning at 1:00 p. m. in which the problem of saving the pig crop is to be taken up and discussed, and suggestions made as to possible methods of reducing the mortality among young pigs.

J. W. Wiley, swine specialist, will be the principal speaker for the meeting, but it is the plan of those in charge of the meeting to give as much time as possible for discussion. Plans for a ton litter contest for Rush county will also be taken up, and it is hoped that there will be at least 50 Rush county farmers to enroll for this work at the meeting.

Special invitations have been sent out to about 100 hog raisers in the county for the meeting. It is to be regretted that the meeting could not be made more general, but this number is about all the assembly room will accommodate. Those who receive invitations were asked to pass their invitation on to some one else, in case they could not attend, in order that as many as possible interested in the subject can be accommodated at the meeting.

LIKE REGISTERING AT HOTEL, HE SAYS

Many Church Members Place Names
on Register and Then Retire, E.
Richard Edwards Says

A TYPICAL SUNDAY SERMON

Evangelist Styles Fatty Arbuckle
"Dressed Beef" in Speaking of
"Registered Stock."

If the people of Rushville had known that "Billy Sunday" was in town Wednesday night at the Main Street Christian church, that building would have been crowded to hear the Rev. E. Richard Edwards in a thoroughbred Sunday sermon on "Registered Stock and Registered People". Many of the audience that heard him pronounced it one of his very best sermons, and declared it to be even better than "Bill's."

"His text was 'He that is not for me is against me'—the declaration of Jesus in pleading for men and women to enlist under his banner. He said in part.

"There is no 'neutrality,' no 'twilight one,' no 'no-man's land.' We are either in the light or in the dark. Every man must be registered in some cause. He must take a stand either for or against. His value to society and the country is to be measured by where he is registered.

"Many church members are like the man who registers at the hotel, then retires. So many join the church, have their names placed on the church register then retire from its activities. The difference in the church members is like the difference between the farmer's calf that was not registered and was worth about \$7.50 and the calf that was registered and was worth \$50.00. The world needs men with spiritual pedigrees."

He portrayed "Fatty Arbuckle" as "dressed beef," "pickled pork" as against Dr. Shelton and the thirty volunteer missionaries who were registered people with fine spiritual pedigrees to make the world better. People of high and holy aspirations were like the eagles soaring above the clouds while many "society" people were but chirping, hopping "sparrows", he asserted.

The subject of the sermon tonight will be a "Modern Lazarus". Mrs. Charles Offutt sang a beautiful solo last evening. Tonight Mrs. L. C. Overdorf and Miss Florine Groffier will sing.

PLACE FOR CLINIC SOUGHT

Milroy I. O. O. F. Hall Used for
School Room Following Fire

The tuberculosis clinic which will be held at Milroy Friday, is to be held in a different place in the town than that originally announced. The Odd Fellows hall, which had been selected for the clinic, is now being converted into a school room, and will take care of the seventh and eighth grades, which were located in the building that burned Tuesday night.

The clinic will be held regardless, and an effort was being made this afternoon to secure another place, and those who attend may inquire at any store in Milroy Friday, as the word will be passed around in the morning, as to the location.

VOTES TO PREVENT AUTOMOBILE RACE

Senate Passes Bill Prohibiting Sporting Events Held as Commercial Enterprises

CARRIES PENALTY OF \$500

Also Approves Measure Providing Heavy Penalties for Drunken Automobile Drivers

(By United Press)

Indianapolis, Ind., Jan. 18—The state senate today voted 38 to 9 to prohibit the five hundred mile automobile sweepstakes held annually on the Indianapolis motor speed way on Memorial day.

By this vote the senate passed a bill which would prevent the "desecration of Memorial day by sporting events held as commercial enterprises."

The bill was introduced in the senate by Senator Moorehead of Indianapolis on the request of the Indiana department of the American legion. Some factions of the legion opposed the measure, however.

The bill carries a penalty of \$500 fine and imprisonment up to six months.

A similar bill has been introduced in the house by Representative Updike of Indianapolis.

The senate also passed a bill providing heavy penalty for drunken automobile drivers amounting to \$100 to \$500 for the first offense and imprisonment not to exceed one year. The bill also provides that sentence shall not be suspended and automobile licenses may be revoked.

An appropriation of \$300,000 for the establishment of a state police system was reported favorably out of the committee and passed to second reading in the senate.

A boiler inspection commission and a building inspection commission were provided for in a bill introduced by Senators English and VanOrman.

Giving county councils the right to accept or reject legislation of the general assembly concerning matters involving salary increases on senate appropriation was proposed in a bill introduced by Senator Batt.

Representative Brown introduced a bill providing for a five cent stamp tax on every package of cigarettes sold and one cent stamp tax on every packing of cigarette papers sold in Indiana.

Carrying amendments which its friends fear will mean eventual defeat, the soldier bonus bill was ready for second reading in the house today.

The bill provides for the payment of \$10 for each month in the service to ex-soldiers and nurses.

Unexpected opposition to the measure developed in the house to

RUSHVILLE SPECIAL TO LEAVE AT 5:30 P.M.

I. & C. Will Carry High School Basketball Fans to Connersville Friday

HIGH SCHOOL BAND NOT GOING

The Rushville basketball special car for Connersville Friday night will leave here at 5:30, arriving in Connersville a few minutes after six, and in plenty of time before the doors open, which is set for 6:30. The 100 tickets, which were sent over from there, were sold to students, and to outsiders. The high school band will not make the trip, as the Connersville officials requested them to stay at home.

Both the first and second teams of the two schools will play, and the first game will start at 7:15.

The special car, will also have a trailer if needed, and the round trip fare has been reduced to 80 cents on the special. The special tickets cannot be used on the regular cars, and the special will leave Connersville at 10:15, following the regular schedule car at that time.

IN LOVING REMEMBRANCE

Just one year ago today, at the break of dawn the angel of death came into our home and called dear mother to that land beyond the vale, and as our thoughts go back to the love and patience shown, and the faith that kept her to the end, how we miss her since she left us, but still there is one thought we cherish that when we have made the journey we shall meet her face to face.

In loving remembrance of Mother, Charles Pettis & family,

SLAYER OF RUSSIAN MONK

PRINCE WHO SLEW RASPUTIN NOW POOR RESIDENT OF LONDON

Prince Youssouf is said to have been the wealthiest of all Russian noblemen before the downfall of the Czar. He and his wife are now reported living close to poverty in London. All of his wealth went to the Bolsheviks after they captured the Government and he was forced to flee for his life. The Prince believed he was removing a menace to Russia when he killed Rasputin.

directed one of the plays at the first of the society.

The senior high school will start off the new semester with an enrollment close to three hundred, the largest in the history of the school. The enrollment at the close of the first semester was 264 and a class of twenty-seven or twenty-eight will enter at the opening of the second semester. The highest enrollment during the semester was 268, but four boys dropped out of school, three of them joining the United States navy.

Mrs. Margaret Morton of this city formerly principal of the New Salem high school, will assist in the junior and senior high school, it was announced today, teaching algebra and grammar.

Very few pupils are expected to enter the first year at the opening of the new semester. J. H. Schoell, superintendent of schools, announced that the children who will be six years old by Monday, January 22, may enter. No new pupils are expected from Jackson township, which

is sending its school children to Rushville this year, although there are reported to be a few old enough to start.

It is said that Jackson township parents have hesitated about starting their pupils at mid-year, on account of the possibilities of a consolidated grade and high school in the township this spring. It is understood a movement to that end is under way. All of the small buildings in the township were condemned and an effort to erect a consolidated grade and high school building failed.

and those not owning stock shall be charged with the service and expense of fighting the fire. There is a law providing such a charge may be made by an incorporated fire-fighting force.

Members of the Rushville department who assisted at the fire Tuesday night, stated that the cisterns in the town were exceptional, and Rushville's pumper worked excellently for 25 minutes from one of them. The Rushville pumper went to Milroy in eleven minutes and was throwing water in twenty-two.

Dr. Charles S. Houghland, chief of the Milroy fire department, was in Rushville today and expressed the sentiment of the people of Milroy and vicinity in thanking the Rushville fire department for its prompt response to the appeal for help.

Dr. Houghland said that the citizens of Milroy wanted to pay Rushville for the service rendered, but no one would take any money for it. He stated, however, that some citizens of Milroy felt like they could at least reward members of the fire department to show their appreciation.

Pupils of the seventh and eighth grades, who went to school in the annex which was destroyed by fire are attending school in the I. O. O. F. hall, which will be used until better accommodations are provided.

WARNING VOICED BY LEGION COMMANDER

Alvin M. Owsley Urges United States Not To Disarm Until Other Nations Do

WANTS AN ADEQUATE FORCE

Anderson, Ind., Jan. 18.—Warning against disarmament by the United States before other nations scrap their implements of war was voiced here last night by Alvin M. Owsley, national commander of the American Legion.

Owsley advocated two national policies of the Legion:

Adequate naval and land forces pending mobilization of the volunteer army.

Ban on immigration for a period of ten years.

"No nation has begun to scrap her navy except America," Owsley declared. "The American Legion believes that ship subsidy or no ship subsidy, America must have a merchant marine."

Owsley called attention to the British and Japanese merchant marines.

He also challenged Congressman Goodykoontz to prove that the Legion was a political organization.

Owsley addressed a meeting in his honor at the Y. M. C. A. which was attended by Governor McCray.

CIVIL WAR VETERAN DIES

John Eckles, Age 80 Years, Expires at His Home Here

John Eckles, age 80 years, a veteran of the Civil War, expired at midnight at his home, 715 North Sexton street, death being caused from kidney complications, from which he had been bedfast for eight weeks. The deceased was a member of Company D, 123 Indiana, and served 18 months in the war. He is survived by the widow and a brother, George Eckles of this city, and two sisters, Mrs. Mary Shiner of Crawfordsville and Mrs. Lena New-neighbor of Tipton.

The funeral services will be held at the late residence Saturday afternoon at one o'clock in charge of the Rev. H. W. Hargett, and burial will be made in the Clarksburg cemetery.

J. L. Thompson Of Oberlin, O., Assisting In Wesley M. E. Services

The revival services are still in progress at the Wesley M. E. church and are meeting with great success, it was announced today, with great crowds attending each night.

The revival is now in its third week and the pastor is being assisted this week by an evangelist, the Rev. J. L. Thompson of Oberlin, O., who is preaching fine sermons, that are having effect, each night, it is stated.

The subject of the sermon tonight will be "The Prodigal Son Modernized" and for Friday night the topic will be, "A Living Sacrifice."

Washington, Jan. 18.—President Harding, suffering from an attack of the gripe was feeling better today, it was stated at the White House.

He may not appear at his office today, but he expected to do some work in his study.

He retired early last night, after spending most of the day in bed, and the extra rest has brought a general improvement.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lgy" and "heavy." They "clear" clouded brain and "perk up" the spirits. 15c and 30c.

IN LOVING REMEMBRANCE

Just one year ago today, at the break of dawn the angel of death came into our home and called dear mother to that land beyond the vale, and as our thoughts go back to the love and patience shown, and the faith that kept her to the end, how we miss her since she left us, but still there is one thought we cherish that when we have made the journey we shall meet her face to face.

In loving remembrance of Mother, Charles Pettis & family,

SLAYER OF RUSSIAN MONK

PRINCE WHO SLEW RASPUTIN NOW POOR RESIDENT OF LONDON

Prince Yousouff is said to have been the wealthiest of all Russian noblemen before the downfall of the Czar. He and his wife are now reported living close to poverty in London. All of his wealth went to the Bolsheviks after they captured the Government and he was forced to flee for his life. The Prince believed he was removing a menace to Russia when he killed Rasputin.

PUPILS ENJOYING A VACATION TODAY

directed one of the plays at the first of the society.

The senior high school will start off the new semester with an enrollment close to three hundred, the largest in the history of the school. The enrollment at the close of the first semester was 264 and a class of twenty-seven or twenty-eight will enter at the opening of the second semester. The highest enrollment during the semester was 268, but four boys dropped out of school, three of them joining the United States navy.

Mrs. Margaret Morton of this city formerly principal of the New Salem high school, will assist in the junior and senior high school, it was announced today, teaching algebra and grammar.

Very few pupils are expected to enter the first year at the opening of the new semester. J. H. Scholl, superintendent of schools, announced that the children who will be six years old by Monday, January 22, may enter. No new pupils are expected from Jackson township, which

is sending its school children to Rushville this year, although there are reported to be a few old enough to start.

It is said that Jackson township parents have hesitated about starting their pupils at mid-year on account of the possibilities of a consolidated grade and high school in the township this spring. It is understood a movement to that end is under way. All of the small buildings in the township were condemned and an effort to erect a consolidated grade and high school building failed.

FIRE PROTECTION PLANS TAKE SHAPE

and those not owning stock shall be charged with the service and expense of fighting the fire. There is a law providing such a charge may be made by an incorporated fire-fighting force.

Members of the Rushville department who assisted at the fire Tuesday night, stated that the cisterns in the town were exceptional, and Rushville's pumper worked excellently for 25 minutes from one of them. The Rushville pumper went to Milroy in eleven minutes and was throwing water in twenty-two.

Dr. Charles S. Houghland, chief of the Milroy fire department, was in Rushville today and expressed the sentiment of the people of Milroy and vicinity in thanking the Rushville fire department for its prompt response to the appeal for help.

Dr. Houghland said that the citizens of Milroy wanted to pay Rushville for the service rendered, but no one would take any money for it. He stated, however, that some citizens of Milroy felt like they could at least reward members of the fire department to show their appreciation.

Pupils of the seventh and eighth grades, who went to school in the annex which was destroyed by fire are attending school in the I. O. O. F. hall, which will be used until better accommodations are provided.

TOBACCO GROWERS TO MEET

A special meeting of the Burley Tobacco Growers' Corporation association of Rush county will be held Saturday afternoon at two o'clock at the court house, and all members are urged to attend. Will H. McMillin is secretary and called the special meeting.

WARNING VOICED BY LEGION COMMANDER

Alvin M. Owsley Urges United States Not To Disarm Until Other Nations Do

WANTS AN ADEQUATE FORCE

Anderson, Ind., Jan. 18.—Warning against disarmament by the United States before other nations scrap their implements of war was voiced here last night by Alvin M. Owsley, national commander of the American Legion.

Owsley advocated two national policies of the Legion: Adequate naval and land forces pending mobilization of the volunteer army.

Ban on immigration for a period of ten years.

"No nation has begun to scrap her navy except America," Owsley declared. "The American Legion believes that ship subsidy or no ship subsidy, America must have a merchant marine."

Owsley called attention to the British and Japanese merchant marines.

He also challenged Congressman Goodykoontz to prove that the Legion was a political organization.

Owsley addressed a meeting in his honor at the Y. M. C. A. which was attended by Governor McCray.

CIVIL WAR VETERAN DIES

John Eckles, Age 80 Years, Expires at His Home Here

John Eckles, age 80 years, a veteran of the Civil War, expired at midnight at his home, 715 North Sexton street, death being caused from kidney complications, from which he had been bedfast for eight weeks. The deceased was a member of Company D, 123 Indiana, and served 18 months in the war. He is survived by the widow and a brother, George Eckles of this city, and two sisters, Mrs. Mary Shiner of Crawfordsville and Mrs. Lena New-neighbor of Tipton.

The funeral services will be held at the late residence Saturday afternoon at one o'clock in charge of the Rev. H. W. Hargett, and burial will be made in the Clarksburg cemetery.

New York—Expecting the necessity of defending the international cup in 1924 against challengers from England and South America, the United States Polo Association has decided not to send a team to the French olympic games.

EVANGELIST IS PREACHING

J. L. Thompson Of Oberlin, O., Assisting In Wesley M. E. Services

The revival services are still in progress at the Wesley M. E. church and are meeting with great success; it was announced today, with great crowds attending each night.

The revival is now in its third week and the pastor is being assisted this week by an evangelist, the Rev. J. L. Thompson of Oberlin, O., who is preaching fine sermons, that are having effect, each night, it is stated.

The subject of the sermon tonight will be "The Prodigal Son Modernized" and for Friday night the topic will be, "A Living Sacrifice."

PRESIDENT FEELING BETTER

Day In Bed Brings Improvement In Harding's Condition

Washington, Jan. 18.—President Harding, suffering from an attack of the gripe was feeling better today, it was stated at the White House.

He may not appear at his office today, but he expected to do some work in his study.

He retired early last night, after spending most of the day in bed, and the extra rest has brought a general improvement.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel.

The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." They "clear" clouded brain and "perk up" the spirits. 15c and 30c.

BEWARE OF DRUGS

Medical Authorities Advise Caution in the Use of Preparations Liable to Contain Powerful Drugs.

Never drug your system to relieve or prevent colds, grippe or "flu." Drugs are liable to affect the nervous system or weaken the heart.

Hot medicinal tea is now recommended by many physicians, because it is best for the human system, acts quickly on the bowels and intestines by eliminating the excess poisonous wastes that usually tend to lower your physical resistance. Just pure refreshing, healthful herbs from nature; that is why millions are now using Bulgarian Herb Tea to relieve and break up bad colds, and also keep the poisons flushed from the system. Many physicians now prescribe Bulgarian Herb Tea, and your druggist can honestly recommend it.

CHARGED WITH BEING IN THE HOODED MOB

E. N. Gray Accused of Being Member of Party That Kidnapped Daniels and Richards

FIRST IDENTIFICATION MADE

(By United Press)
Counthouse, Bastrop, La., Jan. 18.—E. N. Gray today was charged by his friend and neighbor, Fred Eubank, as being a member of the hooded mob that kidnapped Watt Daniels and Thomas Richards before they were murdered August 24.

Eubank testified in the open hearing and declared he was in one of the automobiles held up that night while masked men searched for Daniels, Richards and three others.

"While your car was held up that evening along with the others, did you recognize one of the hooded masked men who stood near your car?" he was asked.

"Yes sir," replied the witness.

"Who was the man you recognized?"

"It was Mr. Newt Gray."

With those words the first identification of anyone even faintly connected with the event that culminated in the murder of Daniels and Richards was brought to light.

Eubank told of being held up a second time the same night by three hooded men. He said he did not recognize any of the latter. After the second holdup he was permitted to continue on his way home, Eubank said.

Eubank told of attending church on the night of the kidnapping and stated that Gray, a regular attendant, was not present.

Bad Jones, summoned to the stand next, admitted he was a klan-man but said he was absent from Bastrop on and during the day and night of the murder.

such an extent that friends of the bill decided to go slowly in pushing its passage. The most damaging amendment, from the viewpoint of those behind the measure, was one which provided that when the measure goes to a referendum in 1924 it must receive a majority of all votes cast in the general election which will be held at the same time.

FATE OF FIVE MEN IN HANDS OF JURY

Herrin Massacre Trial Draws to Close Today When Judge Hartwell Reads Instructions

MURDER OR NOTHING, HE SAYS

(By United Press)
Marion, Ill., Jan. 18.—Twelve men hold the fate of five defendants in the Herrin massacre trial.

The case went to the jury at 11:16 a. m. Before sending the jury to deliberate, Judge DeWitt Hartwell read lengthy instructions to the twelve men.

"It is not against the law of Illinois for a man to mine coal with men not belonging to the United Mine Workers of America and if a man be assaulted and killed for this and no other reason, the killing is unlawful," the court instructed the jury.

"If one of the accused men committed the crime charged in this indictment and if the four defendants stood by, aided, or encouraged the crime, it is your duty to find all of the defendants guilty."

"It is murder or nothing."

"Your verdict is to be returned separately for each of the five defendants. You are to fix the penalty at death, imprisonment for life or a period of years not less than five, if you find any or all of the defendants guilty."

MOTHERS-IN-LAW ARE CHIEF HOME WRECKERS

Judge Schulman of Chicago Will Jail All Who Persist in Interfering in Children's Affairs

NEWLYWEDS HANDICAPPED

By CHARLES R. LYNCH
(C. R. Lynch Correspondent)
Chicago, Jan. 18.—Mother-in-law are the chief home wreckers of today, Judge Joseph W. Schulman, of the Chicago municipal court declared.

Schulman will jail mothers-in-law who persist in interfering in the affairs of their children.

"The mother-in-law puts the finishing touches to more marriages than any other cause," Schulman said in an interview today. "She always butts in and 'blows up' at the critical time."

"The newlyweds of today are badly handicapped anyway when they start out on their matrimonial venture because salaries are much lower, comparatively speaking than in past generations."

Either the wife must go to work or the couple must face staggering debts.

"They struggle along doing their best and usually working out their own salvation when mother-in-law steps in."

"She upbraids the husband for not making more money, or the wife for being extravagant in clothes or household expenses. She nags until finally the infant home becomes a daily battle-ground which finally lands its casualties in the divorce courts."

"I will put the trouble makers out of the way behind the bars."

UNDER SENTENCE OF DEATH

James Smith Convicted Of Murder; Comrade Gets "Life"

Chicago, Jan. 18.—James Smith, slayer of Frank O'Connell, crippled cigar store clerk in a holdup last September was under sentence of death today.

Smith and James Butler staged a hold-up to get \$500 for a bondsman who obtained his freedom on another charge.

Judge Marcus Kavanaugh sentenced Butler to life imprisonment because of his services over-seas.

"You so valiantly offered your life for your country that your country now gives you your life back to you," he said.

WINS HER REPLEVIN SUIT

Gladys Tuttle Given Trunk And John Ferguson Appeals

The case of Gladys Tuttle against John Ferguson and Emma Ferguson, colored people, was heard this morning in Justice Stech's court, in which the plaintiff was awarded judgement on her complaint to replevin a trunk. The defense appealed the case to the circuit court, following the decision of the lower court. According to the evidence, the plaintiff roomed at the Ferguson home, and left for another rooming house, and her trunk was refused her because of rental money. The court also found against the defendant on a cross complaint, demanding \$25 judgement for damages.

The defendant provided \$50 appeal bond, and the plaintiff provided \$150 bond to secure release of the trunk until the case can be disposed of in the circuit court.

occupied area early this morning. They refused information regarding apparently new sanctions.

French headquarters declared the occupying forces are not going into the mines themselves, but hinted at confiscation.

Some of the mine offices of the fuel companies are to be taken over, but the French prefer to proceed slowly with their new measures.

The Germans met these moves with the same passive resistance that characterized their attitude toward the invasion, but some big industrialists of the Ruhr fear hunger may defeat plans of both French and Germans. Food is scarce. Prices are out-pacing the crashing mark. Miners, the best workers now earning 20,000 marks a week, are in a disastrous position.

Outside, two months supplies remained in the occupied area and with France holding canals highways and railroad and the prospect of complete cessation of work at many of the biggest mines and plants of the Ruhr, the situation is serious.

The German coal conferees announced they refuse to confer with the French, the last word having been said.

A barber in a little village near Essen sold picture postal cards of the occupation yesterday. Today his shop was a wreck, smashed to pieces by a German crowd.

Mrs. Floyd Kirkland entertained a few guests Wednesday afternoon with a bridge party at her home in North Harrison street and at the close of the games the guests were served with a luncheon.

Mrs. Mary L. Neutzenhelzer entertained an afternoon bridge club Wednesday afternoon at her home in West Third street. The hostess served dainty refreshments at the close of the card games.

The Ladies Aid Society of the First Baptist church held an all day meeting Wednesday in the basement of the church. At the noon hour the pitch-in dinner was served and the day was spent in quilting and sewing.

Mrs. Marion Pratt of near Sexton was delightfully surprised Wednesday night at her home when her Sunday school class reminded her of her birthday anniversary. A jolly good time was enjoyed by all present.

Miss Florence Cooning entertained about sixteen guests Wednesday evening at her home in North Sexton street, honoring her birthday anniversary. The guests enjoyed the evening with music, dancing and games and dainty refreshments were served at the close of the evening.

A bountiful pitch-in dinner was enjoyed by the Industrial club Wednesday when Mrs. Ella Higgs was hostess to seventeen members of the club. The remainder of the day was enjoyed informally with knotting comforts and piecing comfort blocks.

The regular meeting of the Delphian Society will be held Friday afternoon in the Elks Club rooms in East Second street. The leader of the meeting will be Mrs. Fred Arbuckle and the subject for discussion will be "The Merchant of Venice."

Mother-To-Be, Read This—

Here is a wonderful message to all expectant mothers. When the Little One arrives, you can have that moment more free from suffering than you have perhaps imagined. An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy, "Mother's Friend." Mrs. C. J. Hartman, Scranton, Pa., says: "With my first two children I had a doctor and a nurse and then they had to use instruments, but with my last two children I used Mother's Friend and had only a nurse. We had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes."

Note: Write for valuable, free illustrated book, "Mother's Friend," containing important authoritative information, which every expectant mother should have, and all about "Mother's Friend," by Dr. J. C. Hartman, D.D., D.C., Atlanta, Ga. "Mother's Friend" is sold by druggists everywhere.

be "The Merchant of Venice." A large membership is urged at this meeting.

Miss Harriet Lee Endres, little daughter of Mr. and Mrs. Lee Endres, entertained a number of her little friends this afternoon at her home in North Harrison street, the occasion being her sixth birthday anniversary. The children played games and enjoyed contests and the climax of the party was serving of the dainty refreshments.

The regular meeting of the Band of Workers of the First Presbyterian church was held Wednesday afternoon at the home of Mrs. Joseph Cowing in North Main street. The regular program and business session was held. The hostess was assisted by Mrs. W. A. Green and Miss Mollie Conner in the serving of refreshments during the social hour.

Fifty guests enjoyed the dinner dance given at the Social Club in North Morgan street Wednesday evening. Mrs. Chase Maunz was captain of the division who had charge of the serving of the delicious dinner. A colored orchestra of Indianapolis provided splendid music for the dance after the serving of the repast. A few out-of-town guests were present for the affair.

TEACHERS INSTITUTE TO BE HELD SATURDAY

Walker Township Teachers Will Join With Other Teachers Of County For First Time

NEW TRUSTEE DOESN'T OBJECT

The regular county teachers' institute will be held on the third floor of the court house Saturday and the usual institute program will be followed. There will be one addition to the program when A. L. Gary, himself at one time a teacher and county superintendent of the schools here, will speak to the teachers.

The Walker township teachers, who have been holding their institutes separately on account of the trustee of the township objecting to them joining in the county institute, will be here for the first time Saturday. The new trustee has no objections to the teachers entering into the county institute.

Prof. Paul Hayworth of Butler college, Irvington, will be one of the speakers Saturday and the other speakers will be instructors from the state normal school at Muncie and Terre Haute, who speak at the institute regularly.

COMMUNITY MEETINGS SET FOR NEXT WEEK

Gatherings At Homer And New Salem To Be Addressed By County School Officials

SPECIAL PROGRAMS ARRANGED

Two community meetings, similar to those that have been held in various parts of the county by county school officials, have been announced for next week at Homer and New Salem.

The Homer meeting will be held Monday night and the New Salem meeting Tuesday night and the speakers will be Birney D. Farthing, county superintendent of schools; Miss Grace Ewing, county Red Cross nurse, and James G. Miller, county attendance officer. Special programs of music and other entertainment is also being prepared for the Homer session.

Meetings of this character are being conducted in every community of the county to arouse a new interest among the patrons of the schools in the schools and the pupils. The most recent one was held at Carthage and Judge Will M. Sparks was an added speaker.

NEW LIGHTS ARE INSTALLED

Arlington M. E. church Will Also Be Redecorated In The Spring

A new lighting system has been installed at the Methodist church in Arlington. The church is now lighted by five single 300 watt lights in the main auditorium, one in the platform and one in the Sunday school room. The new fixtures are beautiful and perfectly light the church. The entire cost of the new fixtures was made up by the membership before the lights were installed. The church is to be redecorated in the spring and special evangelistic meetings will be held May 13 to June 3, Evangelist E. R. Lewis assisting the pastor, the Rev. R. A. Ulrey.

SMALL ATTENDANCE

A misunderstanding in the announcements at the Salvation Army church, resulted in a small attendance at the revival services Wednesday night. Many were under the impression that the meetings closed Tuesday night, but, however, they will continue the remainder of the week with a service Sunday afternoon at 2:30 o'clock.

FOUR FIREMEN INJURED

Chicago, Jan. 18.—Four firemen were injured, one probably fatally when the third floor stairway of a LaSalle street building caved in while they were fighting a blaze. The men were thrown to the basement and buried in the wreckage. They were internally injured. The cause of the fire was unknown. Damage was slight.

THE LORD IS GOOD:—O taste
and see that the Lord is good; bless-
ed is the man that trusteth in him.—
Psalm 34: 8.

The Art of Captions

Writers of newspaper headlines, through exigencies of type limitations, have contributed largely to the English language coloring, or, at least, to the coloring of the English language as it is spoken in America. And though many of the pet words never will be found in the mouth of the average man many a word, hitherto of a jocose reputation, has been raised to an accepted standard of fitness if not actual dignity of expression. The newspaper headwriter may be, and often is, quite as wearied and annoyed at the necessity for sweeping and stereotyped succinctness as the average reader who daily absorbs "probe" and similar good and faithful standbys.

Consider, for instance, the case of the Daugherty ruling against the use of liquor aboard ships. A headwriter is limited by the number of letters and spaces in a given line—usually ranging from 13 units to 18 or 19. "Liquor" frequently was too long a word in the combination of words necessary to sum up the body of the article in two lines of caption. Timidly he turned to "rum", a good enough word in itself but from past usage rather meaning something more than liquor itself. But the word suited the occasion and day by day it crept into the headlines. "Hooch" had served its purposes in another phase of the liquor controversy. And so "rum" has come to be accepted as a synonym for "liquor" though all

A COLD GONE
IN FEW HOURS

"Pape's Cold Compound"
Acts Quick, Costs Little,
Never Sickens!

In a few hours your cold is gone, head and nose clear, no feverishness, headache, or stuffed-up feeling. Drug-gists here guarantee these pleasant tablets to break up a cold or the gripe quicker than nasty quinine. They never make you sick or uncomfortable. Buy a box of "Pape's Cold Compound" for a few cents and get rid of your cold right now.

liquors are not "rum" strictly speaking.

No headwriter ever hoped or intended, rather is it the opposite, that his use of "youth" and "slain" and such nice little aides-de-camp ever should get into the mouths of the "mob". Both are good words, however, in newspaper making because they are handy and expressive, "eye" words and maybe justified for no other reason. A "youth" implies something more than a "boy" and a little less than a "man" as measured in terms of years. Hence they are descriptive and accurate.

When Coal Goes to Museums

Bituminous coal production in 1922 was at a low-water mark, according to figures for the past six years supplied by the Geological Survey. These figures show that whenever the production has fallen off in any year that the reason has been due to strikes and lockouts. Every man who is now a purchaser of coal is making his own figures concerning the folly of industrial conditions within the coal mining industry. When he finds one, two, or three dollars a ton added to former prices he is ready to concede that "something ought to be done about it." "Something" always is done. Usually it is an investigation by the Senate or House, but this year it is different because a commission is "fact-finding", and it is safe to predict that when the facts are all collected they will be quite the same as the preceding "facts" in the senate files, or in the house pigeon-holes, brought out in many former exhaustive investigations.

About the only original observation—past, present and future—was made by a progressive thinker the other day, who mused philosophically: "A hundred years from now people will wonder how their forefathers could have been so stupid as to dig and crawl down into the depth of the earth to find something to make heat of. And their wonder will not decrease when they read how from a quarter to a half of all the energies of the railroads were used up in hauling this underground heat-producing substance to millions of particular spots where it could be burned in order that the smoke and the blaze of the fire might be used on the premises."

SAP AND SALT
BY Bert Moses

Every man is a "sucker" now and then no matter how smart he is.

Conscience is something that absolutely refuses to be sugar-coated.

Be glad if you have a poor memory; most things ought to be forgotten.

Experience that keeps you awake night is the kind that does you the most good.

If you make good use of your experience you become smart; if you don't you remain a fool.

Providence has a way of letting everyone make as big a nuisance of himself as his faculties allow.

PEOPLE'S SAYSO

Uphold The Colored Race

Dear Mr. Editor of the Rushville Republican: Please allow me space in your valuable paper to ask a few questions of one Mr. Moore who preached to such a large audience last Sunday at Noblesville. I wish him to inform me and the public, where is the colored man's place?

Is it to be hewers of wood, and carriers of water all the days of their lives? Is it in the battle front as it has been since the revolution when two-fifths of that army was colored men, and after Independence was gained were told by Washington to go home to their masters and be good boys? Is this where Rev. Moore wants the colored man? Is it in the defense of this great republic in the war of 1812 with Great Britain that the colored man's place is? Or in the war of 1818 with Great Britain when it was first said by General Jackson that the colored troops fought nobly.

Is it helping out to put down one of the most gigantic rebellions this country ever had when the colored man bore his share of the burden manfully? When two millions of them came to the rescue and helped this great nation and made it what it is today, the freest and most glorious nation under the sun?

And be it known that until the colored troops came into the field reverse after reverse befell the United States troops. Is this where Moore would have the colored man? I see that all that is wanted is the abolition of the God given rights, the rights to life, liberty and pursuits of happiness. Oh, no more of this for the colored man.

Let me ask where is the colored man's place and where do you want to put him? Under the 13th, 14th and 15th amendments he is an American citizen, the same as you are and where is your place? My Bible teaches me that whatever is not of God is of the devil. No spring can send forth both sweet and bitter water at the same time. Just come and think of it. A man carrying God's messages to fallen man and his heart full of blasphemy polluting the world of God!

I will say to this man Moore to never try to preach again until he has been and washed his garment.

white in the blood of the lamb, and can stand before the Lord without wrinkled spot or blemish and then he will have found the place for the colored man. As to intermarriages, the whites started it and are now squealing about it. Go with me to the south if you please and there you will see half breeds, quarter breeds and all breeds under the sun, all caused by amalgamation of white man with the colored race.

Little are people aware that in the days of slavery men sold their own sons and daughters. If the shoe should pinch, Brother Moore, grin and bear it. Where is the colored man's place? In heaven. No. In hell? I see they have a white supremacy league and I wonder what the constitution contains. Let me say here that God never made one man supreme over another, but the supremacy of one man over another is of devil and man made. God made but one man and one woman and therefore the Bible says out of one blood God created all nation to dwell on the face of the earth, not supreme one to another but as brethren. They talk much about one hundred per cent American. Have they forgot that the constitution is one hundred per cent American and the 13th, 14th and 15th amendments are one hundred per cent American.

If Mr. Moore does not think that America is not full of patriotism, let an enemy touch her and see what happens. You had better stick your head in a hive of bees.

Their past record is not good and be it remembered that everything that glitters is not gold. For this patriotic turn your minds to Gettysburg, Antietam, Petersburg, Lookout Mountain, Murphysboro and then the Spanish American war, and last but not least, the world war in Europe. Here is one hundred per cent Americanism and do not try to make this great country of ours believe they are not right and like a wolf in sheep's clothing, get in and rend them to pieces. The people will say when they look back at past records, let well enough alone.

Red Pepper Heat
Ends Rheumatism

Red Pepper Rub takes the "ouch" from sore, stiff, aching joints. It can not hurt you, and it certainly stops that old rheumatism torture at once.

When you are suffering so you can hardly get around, just try Red Pepper Rub and you will have the quickest relief known. Nothing has such concentrated, penetrating heat as red peppers. Just as soon as you apply Red Pepper Rub you will feel the tingling heat. In three minutes it warms the sore spot through and through. Pain and soreness are gone.

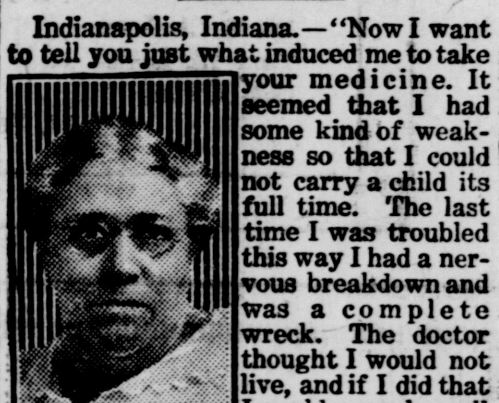

Ask any good druggist for a jar of Rowles Red Pepper Rub. Be sure to get the genuine, with the name Rowles on each package.

NERVOUS WOMAN
COMPLETE WRECK

Tells How She Was Made
Well by Lydia E. Pinkham's
Vegetable Compound

Indianapolis, Indiana.—"Now I want to tell you just what induced me to take your medicine. It seemed that I had some kind of weakness so that I could not carry a child its full time. The last time I was troubled this way I had a nervous breakdown and was a complete wreck. The doctor thought I would not live, and if I did that I would never be well and strong again. But I told them I was going to get well, that I was not going to die just then. My husband got me Lydia E. Pinkham's Vegetable Compound and I took six bottles of it. I soon got strong again and had three more children. I have recommended the Vegetable Compound ever since, and if you could see me now you would think I had always been well."—Mrs. MARY F. HERRICK, 234 Detroit St., Indianapolis, Ind.

Lydia E. Pinkham's Vegetable Compound is an excellent medicine for expectant mothers and should be taken during the entire period. It has a general effect to strengthen and tone up the entire reproductive system, so that it may work in every respect effectually as nature intends.

STRIKING RAIL MEN ARE FLOGGED

Mob Law Spreads In Northern Arkansas Following Outbreaks In Which Man Was Lynched

ENTIRE COMMUNITY ARMED

Ready To Enforce Decrees of "Citizens Committee" And "Citizens' Court" At Harrison

Harrison, Ark., Jan. 18.—Mob law spread in northern Arkansas today. Striking railroad employees have been flogged at Leslie and other points along the Missouri and Northern Arkansas railroad following outbreaks here in which E. C. Gregor was lynched and twenty persons were beaten and deported.

The entire community was heavily armed ready to enforce decrees of the "citizens committee" and "citizens' court", set up by the mob of business men and farmers who massed here Monday to prevent paralysis of train service on the railroads. Shotguns were boldly carried through the streets and revolvers slung from leather holsters hung at the side of others.

Harrison was quiet on the surface today as the "citizens committee" continued rounding up strikers and questioning them regarding burning of bridges and other acts of sabotage. Some were flogged after the quizzing and others were ordered to leave.

Wild rumors were heard on all sides. One was that armed men were coming over the hills from Missouri to oust the rulers here.

The state legislature has ordered an investigation of the lynching of Gregor and the flogging of strikers. The investigation was expected to get under way tomorrow.

A grand jury investigation made under the eyes of the mob returned 16 indictments on the charges of bridge burning and others against the railroad.

Sheriff Maddox and a corps of deputies before sun-up began hunting the hills for the indicted men.

The "citizens' court" and "citizens committee" were reported working with the approval of the circuit court. Twelve men of the "citizens' court" were said to be under oath as officers of Boone county and scores from the "committee" carry commissions as special deputy sheriffs they said. Sheriff Maddox indicated such an arrangement had been made.

And I further declare, and swear (or affirm) that I have received no money, nor articles of value, in consideration of any contract made by me as Trustee of this township.

JOHN F. MAPES, Trustee,

Of Union Township

Subscribed and sworn (or affirmed) to before me, the Chairman of the Advisory Board of this township, this 15th day of January, 1923.

JAMES S. HASELBY, Chairman

of Advisory Board of Union Township

This report was received and accepted, and approved by the Advisory Board of this township at its Annual

Meeting, this the 15th day of January, 1923.

JAMES S. HASELBY,
HOWARD EWBANK,
J. C. BEAVER,
Advisory Board Union Township.

NOTICE TO ROAD CONTRACTORS

State of Indiana, Rush County, ss: Notice is hereby given that the board of commissioners of said county at their office in the court-house at Rushville, Indiana, will receive sealed proposals for the improvement of a certain highway 5281 feet in length, in said county by grading, draining and paving with gravel as set out in the specifications, plans and profile now on file in the office of the auditor of said county, by and under the laws of the State of Indiana. Said sealed proposals will be opened and the contract awarded for said improvement on the 5th day of February, 1923.

Bids or proposals will be received up to 2 o'clock P. M. on said date.

The said road to be improved is located in Ripley township, in Rush county, Indiana, and is to be known as the James Heifner et al road when so improved.

The estimated cost is \$10,180.00.

Bids will be for the completion of the said improvement in accordance with the plans, profile and specifications in the office of the auditor of said county, and shall include all labor and material for said work. In no case will extra compensation be allowed for any additional work alleged to have been done by the contractor or contractors to whom is awarded the contract.

Each bid shall be accompanied by a personal or surety bond in a sum equal to double the amount of the bid filed for the work bid on, to be approved by the board of commissioners of said county. Said bond shall be conditioned for the faithful performance of the work; the sureties, if personal, shall be resident freeholders of the State of Indiana, one of whom shall be a resident of Rush county.

Said bond shall be for the benefit of any person, persons or corporation who shall suffer any loss or damage by reason of any such bidder failing or neglecting to enter into a contract to perform such work awarded by the said board of commissioners or to carry out the same in any particular or to pay for any labor or material which may have been furnished to any such contractor or contractors or to any sub-contractor, agent or superintendent under him, in the construction of said work.

Said improvement will be let as a whole to the lowest responsible bidder upon affidavit of noncollusion, which must be submitted with the bid, and upon failure to submit such affidavit such proposal or bid will be rejected by the board; and the board reserves the right to reject any and all bids. Time for the completion of said work will be agreed upon after the letting of said contract by said board of commissioners and successful bidder.

Given by order of the Board of Commissioners of said County.

PHIL WILK,
Jan 4-11-18 Auditor Rush County.

NOTICE TO NON-RESIDENT

U. S. Invincible at Tennis

By HENRY L. FARREL
(United Press Sports Editor)

New York, Jan. 18.—Picking the ten best tennis players in America last year wasn't near the job that it was in 1921. Performances of the leading stars were so outstanding that they adjusted themselves almost automatically.

Tilde, Johnston, Richards and Williams as the leaders among the men players were foregone conclusions. Their records made mistakes impossible.

Many critics found fault with the judgment of the ranking body in placing Wallace F. Johnson, the Philadelphia cut-stroke expert, in

fifth place. It wasn't that he is not highly regarded as a tennis player, but because he competed in less engagements than some of the players listed below him.

Mrs. Molla Mallory, of course, could be placed nowhere but No. 1 among the women players. She may not be the greatest player in the world, but she was the best in America last season.

In placing the Boston girl, Miss Leslie Bancroft, in second position, the committee bumped up against some criticism from the friends and followers of the California girl star, Helen Mills.

Miss Bancroft did beat the California girl several times during the season, but no one gave Mrs. Mal-

lory the number of stiff battles that little Helen did.

Some critics also found fault with the committee for failing to include Miss Mary K. Browne, the former champion, on the list.

Ranking the ten best tennis players or the ten best performers in any branch of sport is strictly a matter of opinion, and there always will be difference in opinions.

No ranking ever will be generally accepted as perfect, but the work of the tennis committee last year was as near as humanly possible to perfection.

Fear that the game of William Tilden would be impaired by the amputation of a part of a finger on his racquet hand seems to be unfounded.

The real nature of the handicap will not be known until the champion gets down to some real competition.

In his first match of the indoor season he did not seem to be crippled, and as he is of the type of player who is at best when the go-

ing is the hardest, there is no reason to put on mourning for him so soon.

Much was made over the alleged poor form shown recently by Mlle. Suzanne Lenglen, the world's woman champion, in defeating Mrs. Saffertwaite, British star, at 6-4 and 6-2 in the Cannes championship.

It was the first appearance of the French girl in the Winter season, and it is not surprising that her game might have been off some.

Super-champion like Mlle. Lenglen are forced into the position of always playing a super-game or being classed as a "go-back."

European nations and the far eastern countries have rather generously admitted that the United States is getting more and more into a class where it will be invincible in tennis.

Interest shown by youngsters in the game, and the rapid development of the juniors is getting ready for Uncle Sam a class of Davis Cup defenders that ought to be as capable as Tilden, Johnston, Richards and Williams.

Twenty Juniors and twenty boy players were found good enough by the association to place on the ranking list and that speaks a plenty.

Hittin' 'Em and Missin' 'Em

WHY NOT MAKE 'EM LIKE IT?

As Hittin' 'em has advised before, there is only one thing to do Friday night, and that is for you to do the right thing—beat Connersville. It is the only fair thing to do. They beat you over here December 15.

NO CHANCE NEWCASTLE

The greatest surprise of the season springs from Newcastle. They expect to beat Richmond Friday night. But Newcastle, Rushville fully expected to do the same thing a few weeks ago, but after Hittin' 'em saw Richmond perform, he has decided that Richmond belongs some place in that Big Ten list.

But even at that, we're pickin' Anderson.

MAYBE TO BE KNOCKED OFF

Hittin' 'em means that he is still pickin' Anderson until January 26, and maybe he will keep on pickin' 'em then. On that night Vincennes plays up there, and the eyes of all high school basket fans will be focused on that game.

WE BET LOUIE KNOWS ABOUT THIS

Wabash college takes a big wallop at Hittin' 'em. Just listen to what comes to us from "Wabash '26"—"Have been reading with much interest your column. In the issue of Jan. 14, you referred to the Rushville team as 'the Scarlet aggregation.' Now we may lose a few games down here, but please don't humiliate a noble quintet by grabbing off their nickname, thereby classing them with a team that misses quite a few."

YOU OUGHT TO FEEL COMPLIMENTED

Well Wabash '26, you may have a noble quintet, and all that but we have also got one of the men who helped make it a noble quintet, as the mentor of the team. His full name is H. Warren Jones, and he played on Wabash when they couldn't find any team to come any way near 'em. Just give him a chance, an you will be mighty glad that Wabash produced such a coach. He wears the four letter sweater, with the big W in the middle, and many times when the Rushville takes the floor, people along the sidelines hon-

estly thinks that it is Wabash college.

EVEN SALLY WAS PUZZLED

Now Sally, who lives down near our alley, had just asked us that question today. She wanted to know what the big man always wore that red sweater for, and why he didn't change that letter from W. to R. She said that she first thought he was one of the players, but knew that he didn't live here. Now listen, Sal, ol' girl, he is the coach—the fellow who tells the boys how to play. The W was given him when he went to school down at Wabash—you understand? The W. stands for Wabash. Yes Hittin' 'em knows that R stands for Rushville, but say, it is terribly hard to explain those things to you. Oh no, we don't know how much it cost, go and ask him.

A REAL IRON MAN

That Mt. Auburn team which was defeated at Moscow, had a sturdy forward. Why not, when his name was Iron.

SAY NEWPOINT, DON'T FORGET TO SEND 'EM HOME

"Moscow fans are enthusiastic and are planning to move Orange township to Newpoint Friday night," writes one of the close followers of Coach Means' basketball squad. Newpoint has quite a record, but what ever you do Moscow, bring home the bacon.

That is what Rushville is going to try to do over at Connersville on the same night.

MOSCOW TO PLAY FIVE FROM DECATUR COUNTY

Newpoint Has Defeated About Every Aspirant and is Expecting to Conquer Invaders

SCHEDULE FOR MOSCOW FIVE

The Moscow high school basketball team will journey down to Newpoint, in Decatur county Friday night, and a great game is anticipated. Newpoint has defeated about everything in Decatur county twice and has beaten three teams worse than Greensburg did. A large crowd of fans will go with the Moscow team.

Moscow will play St. Paul at Blue Ridge on Saturday night, and the schedule for the remainder of the season is as follows:

Jan. 24—Moscow at Westport.
Jan. 26—Moscow at Raleigh.
Jan. 31—Milroy and Moscow at Blue Ridge.
Feb. 3—County tourney, Rushville.
Feb. 10—Arlington and Moscow at Blue Ridge.
Feb. 14—Webb and Moscow at Blue Ridge.
Feb. 16-17—Tri State tourney, Cincinnati.
Feb. 23—Moscow at Morristown.

RALEIGH TO TAKE ON LAUREL FRIDAY

Washington Township High School Basketball Tossers Going in Rapid-Fire Fashion

REMAINDER OF SCHEDULE

The Raleigh high school basketball team, which has been making a good record this year, is expected to finish their season in whirlwind fashion, and their opponent on Friday will be Laurel on the floor at Raleigh.

The Washington township school has been making fast strides and several weeks ago held Milroy to a low score. The remainder of their schedule is listed as follows:
Jan. 19—Laurel at Raleigh.
Jan. 23—Raleigh at Carthage.
Jan. 26—Moscow at Raleigh.
Jan. 30—Webb at Raleigh.
Feb. 2—Arlington at Raleigh.
Feb. 3—County tourney, Rushville.
Feb. 9—Raleigh at Milroy.
Feb. 16—Open
Feb. 23—Raleigh at Webb.

COMB HAIR AND IT STAYS

"Hair-Groom" Keeps Hair
Combed All Day—Glossy,
Well-Groomed

Millions Use It—Fine for Hair!

—Not Sticky, Greasy or Smelly

A few cents buys jar of "Hair-Groom" at any drugstore, which makes even stubborn, unruly or shampooed hair stay combed all day in any style you like. "Hair-Groom" is a dignified combing cream which gives that natural gloss and well-groomed effect to your hair—that final touch to good dress both in business and on social occasions.

Greaseless, stainless "Hair-Groom" does not show on the hair because it is absorbed by the scalp, therefore your hair remains so soft and pliable and so natural that no one can possibly tell you used it.

COLORS CHANGE IN PICTURES

CHOOSING COLOR SCHEMES FOR MOTION PICTURES
If you have ever visited a motion picture studio the chances are that you have expressed regret that the beautiful colors used were not reproduced on the screen. Although, in the majority of cases the color arrangements are a delight to the eye they are not chosen by motion picture technicians simply to please themselves. Every color in the spectrum registers differently in the black and white of the motion picture film. For instance, red photographs black, blue photographs a very light gray and so forth. Covering the walls of the technical department are numerous patches of various colors. Some are solid colors, others bear patterns and strippling of all sorts. Below these color patches are photographic reproductions, showing just how they would look on the screen.

GERMANS REMAIN ADAMANT

Threats of Court Martial For

(By United Press)

Berlin, Jan. 18—Germany to-
day notified France and Belgium
there is danger of a collision
between the allies and German
forces if the occupation of the
Ruhr valley is extended further
toward Muenster.

An unconfirmed dispatch from
Dortsmount said the French
were resuming their advance to-
ward Hamm, which is also in the
general direction of Muenster.

Transports and thirty tanks
are moving from Dortsmount
toward Dorstfeld.

By CARL D. GROAT

(U. P. Staff Correspondent)

Essen, Jan. 18—The arteries of
German industry, canals and rail-
roads that carried fuel and steel
from the heart of the Ruhr to the
rest of Germany, were gripped by
the French invaders of the Rhine-
land today, as additional punitive
measures to enforce coal deliveries
went into effect. There is now no
road out of the Ruhr not controlled
by France's armed forces.

Forests of the Rhineland are to be
worked by the allies, as well as coal
mines, if German miners persist in
their refusal to work under French
bayonets, and no pains are to be
spared, it is stated, to make the oc-
cupation of the Ruhr a success.

In the face of additional penalties,
threats of court martial for the
Ruhr's most prominent mine owners,
and further seizure of territory, the
Germans remained adamant to stub-
born will of the invaders.

The national coal commission re-
peated its prohibition against deliv-
eries of coal to France and Belgium.
Disturbances at Dortmund, Luen-
en and Essen failed to lead to serious
trouble.

France's punitive measures were
put into effect deliberately here and
there throughout the Ruhr today.

French engineers, who had been
stationed at Essen, scattered mys-
teriously to various sections of the

drove off the French soldiers
and cut off the frauline's heavy

WAR PREPARATIONS

Stockholm, Jan. 18—Russia's Red
armies were on the move today and
a "war-like situation" has been de-
clared in the Smolensk military dis-
trict, according to Moscow reports
to the Stockholm Tidningen today.

Soviet troops at Vitebsk were or-
dered held in readiness to march
southward in full war equipment.

Pontoon bridges were thrown
across the river Dwina.

The Red troops were apparently
preparing to move to Polotsk, from
which point an attack upon Braslav,
now held by the Poles, seemed likely.

There was talk of Russia aiding
Germany, if the latter decided to re-
sist the French invasion by force of
arms. Apparently the present troop
movements are entirely a Russian
enterprise however.

Constantinople, Jan. 18—Turkish
armies at Daridza and Herek march
in war-like review before Mustapha
Kemal Pasha today.

The Turks moved up to the fron-
tier line drawn around Constantinople.

Mustapha Kemal, head of the An-
gora government, and commander in
chief of the army, declared war in
the Near East is inevitable unless
Europe changes her mentality.

ALIENATION CASE IS GIVEN TO THE JURY

Evidence All Submitted In Suit For
\$10,000 Damages, Which Draws
Large Crowd To Court

ARGUMENTS THIS AFTERNOON

The \$10,000 alienation of affec-
tions suit came to an end this after-
noon late, when the case was given
over to the jury for a verdict, after
hearing the evidence for three days
this week.

The plaintiff, Edna Miller, is de-
manding judgement from Burton
Miller and Myrtle Miller, her parents-
in-law, who are alleged in the pro-
ceedings as having been responsible
for the separation of the plaintiff
and her husband.

The case today was attracting one
of the largest crowds since the case
of the state against Clevenger, and
the court room was filled with inter-
ested people from Walker and Posey
townships, where the various parties
are well known.

Each side was allowed two hours
for arguments today, and the con-
cluding statement was made about
2:30, giving the case to the jury
shortly before three o'clock, following
the instructions of Judge Sparks.

NEGOTIATIONS BROKEN OFF

Washington, Jan. 18—The Amer-
ican and British debt funding nego-
tiations were broken off here today
in order that the British commission
might return to their country and
present the American position on the
five billion dollar war debt to
Premier Bonar Law.

The entire British mission will sail
from New York for England Satur-
day. The two commissions failed to
reach a tentative agreement.

Subsequent negotiations will be
conducted throughout the British em-
bassy here.

AN APPRECIATION

The Citizens of Milroy and
vicinity wish to express their
sincere thanks to the mayor, the
Fire Company and the Citizens
of Rushville for the ready re-
sponse and effective work done
at the fire of our school build-
ing Tuesday night. The fire
company made a quick run,
huddled the equipment skillfully
and rendered all necessary as-
sistance with dispatch and
heartly good will.

The great relief to the citi-
zens to know that a great fire
fighting machine was there to
protect their property was a
thing of the greatest relief and
satisfaction.

Should unfortunate circum-
stances place Rushville in need
of similar services we assure
it that we will be only too glad
to respond.

Sincerely,

Agitation for better fire protection
in the town of Milroy, was taking
shape today, as the result of the fire
Tuesday night, and also because of
several fires which have visited the
town recently.

Last spring a committee of five
was appointed to represent the fire
board, and steps were taken to or-
ganize a volunteer, fire fighting force,
with a motor equipment and pump-
er attachment to be purchased by
public subscription, the subscrib-
ers to own shares of stock.

It was estimated that at least
\$4,000 would be required for the
purchase of a machine, and fire hose.
On account of the town not being in-
corporated, it was necessary to
have the fire department incorporated
and approved by the state fire mar-
shal, but the necessary papers were
not received until a few days ago.

It is the plan of the association
to sell stock to people in Milroy, who
shall have free protection from fire

CENTER TOWNSHIP MAN DIES SUDDENLY

Body of Perry B. Steele, Age 74
Years, is Found in Out Building
Wednesday Night

APPARENTLY IN GOOD HEALTH

Perry B. Steele, age 74 years, a
well known farmer of Center town-
ship, and a lifelong resident of this
county, expired suddenly Wednesday
night about eight o'clock at his
home, death being caused from heart
trouble.

The deceased was apparently in
good health. He had eaten a hearty
meal last night, and soon after sup-
per his body was found in an out-
building where he had gone, taking
a lighted lantern with him. The de-
ceased lived on his farm, and Mr.
and Mrs. Albert Peters lived in the
house with him.

The residence is located one mile
north and a half mile west of Cen-
ter. His wife expired about four
years ago. Two brothers and four
sisters survive. They are E. J. Steele
and Edward Steele of this county,
Mrs. Lizzie Duke of near Spiceland,
Samantha Duke of Newcastle, Katie
Benjamin of Indianapolis and Sarah
Wilson of California.

The funeral services will be held
Saturday afternoon at 1:30 o'clock
at the Center church and burial will
be made in the cemetery nearby.

PUPILS ENJOYING A VACATION TODAY

Second Semester Of School Year
Will Begin Friday And Pupils
Will Get Report Cards

CHANGES IN HIGH SCHOOL

Vivian Harris, Mathematics, Resigns
And Raymond Allen, Wabash
Graduate Is Engaged

Pupils in the Rushville public
schools were enjoying a vacation
today while teachers were grading
mid year examination papers and
marking up report grades preparatory
to presenting them to pupils Friday
when the second semester of the
school year begins.

Miss Vivian Harris, mathematics
instructor in the high school, has
resigned her position here, it was an-
nounced today, to accept a similar
one in the Crawfordsville high school.
She will be succeeded by Raymond
H. Allen, a mid-year graduate of
Wabash college.

Mr. Allen is completing his four-
year course at Wabash, Crawfords-
ville, Ind., this week, and will be here
Monday to take up his duties as in-
structor in mathematics. His qual-
ifications are sufficient for him to
get a professional license to teach,
after two years of actual experience,
he will be entitled to a life license.

Mr. Allen has had experience as
a teacher even though he is just now
graduating from college, by reason
of having taught three classes a day
in the Crawfordsville high school
during the present term, in addition
to his college work. He will receive
his diploma from Wabash with the
class graduating in June.

Miss Harris has taught mathe-
matics in the Rushville high school
for three and one-half years and
regrets very much to leave here. She
accepted the position in Crawfords-
ville because it is her home, and for
the additional reason that it will give
her an opportunity to teach a few
classes in public speaking.

Miss Harris is a graduate of De-
Pauw university. She has won
many friends here who regret to see
her leave. Besides her work in
school, Miss Harris' services will be
missed in the high school and com-
munity orchestra, as she is an ac-
complished cornetist. She was also
a valuable member of the Little The-
atre Society of Rushville, having

FRIDAY HOG DAY IN RUSH COUNTY

Problem Of Saving Pig Crop Will Be
Discussed At Meeting In Court
House Assembly

SWINE SPECIALIST TO TALK

Friday, January 19, will be hog
day in Rush county, according to
announcement made today by the
county agents office. A big county
hog meeting has been arranged for
the afternoon, beginning at 1:00
p. m. in which the problem of sav-
ing the pig crop is to be taken up
and discussed, and suggestions made
as to possible methods of reducing
the mortality among young pigs.

J. W. Wiley, swine specialist, will
be the principal speaker for the
meeting, but it is the plan of those
in charge of the meeting to give as
much time as possible for discussion.
Plans for a ton litter contest for
Rush county will also be taken up,
and it is hoped that there will be at
least 50 Rush county farmers to en-
roll for this work at the meeting.

Special invitations have been sent
out to about 100 hog raisers in the
county for the meeting. It is to be
regretted that the meeting could not
be made more general, but this num-
ber is about all the assembly room
will accommodate. Those who re-
ceive invitations were asked to pass
their invitation on to some one else,
in case they could not attend, in
order that as many as possible in-
terested in the subject can be ac-
commodated at the meeting.

LIKE REGISTERING AT HOTEL, HE SAYS

Many Church Members Place Names
on Register and Then Retire, E.
Richard Edwards Says

A TYPICAL SUNDAY SERMON

Evangelist Styles Fatty Arbuckle
"Dressed Beef" in Speaking of
"Registered Stock."

If the people of Rushville had
known that "Billy Sunday" was in
town Wednesday night at the Main
Street Christian church, that build-
ing would have been crowded to hear
the Rev. E. Richard Edwards in a
thoroughbred Sunday sermon on
"Registered Stock and Registered
People". Many of the audience that
heard him pronounced it one of his
very best sermons, and declared it to
be even better than "Bill's".

"His text was 'He that is not for
me is against me'—the declaration
of Jesus in pleading for men and
women to enlist under his banner.
He said in part:

"There is no 'neutrality,' no 'twi-
light one,' no 'no-man's land'. We
are either in the light or in the dark.
Every man must be registered in
some cause. He must take a stand
either for or against. His value to
society and the country is to be
measured by where he is registered.
Many church members are like
the man who registers at the hotel,
then retires. So many join the
church, have their names placed on
the church register then retire from
its activities. The difference in the
church members is like the difference
between the farmer's calf that was
not registered and was worth about
\$7.50 and the calf that was regis-
tered and was worth \$50.00. The
world needs men with spiritual pedi-
grees."

He portrayed "Fatty Arbuckle" as
"dressed beef", "pickled pork" as
against Dr. Shelton and the thirty
volunteer missionaries who were re-
gistered people with fine spiritual
pedigrees to make the world better.
People of high and holy aspirations
were like the eagles soaring above
the clouds while many "society"
people were but chirping, hopping
"sparrows", he asserted.

The subject of the sermon tonight
will be a "Modern Lazarus". Mrs.
Charles Offutt sang a beautiful solo
last evening. Tonight Mrs. L. C. Over-
dorf and Miss Florine Groffier will
sing.

PLACE FOR CLINIC SOUGHT

Milroy I. O. O. F. Hall Used for
School Room Following Fire

The tuberculosis clinic which will
be held at Milroy Friday, is to be
held in a different place in the town
than that originally announced. The
Odd Fellows hall, which had been se-
lected for the clinic, is now being
converted into a school room, and
will take care of the seventh and
eighth grades, which were located in
the building that burned Tuesday
night.

The clinic will be held regardless,
and an effort was being made this
afternoon to secure another place,
and those who attend may inquire at
any store in Milroy Friday, as the
word will be passed around in the
morning, as to the location.

VOTES TO PREVENT AUTOMOBILE RACE

Senate Passes Bill Prohibiting Sport-
ing Events Held as Commercial
Enterprises

CARRIES PENALTY OF \$500

Also Approves Measure Providing
Heavy Penalties for Drunken
Automobile Drivers

(By United Press)

Indianapolis, Ind., Jan. 18—The
state senate today voted 38 to 9 to
prohibit the five hundred mile auto-
mobile sweepstakes held annually on
the Indianapolis motor speed way on
Memorial day.

By this vote the senate passed a
bill which would prevent the "desec-
ration of Memorial day by sporting
events held as commercial enterpris-
es".

The bill was introduced in the
senate by Senator Moorehead of In-
dianapolis on the request of the In-
diana department of the American
legion. Some factions of the legion
opposed the measure, however.

The bill carries a penalty of \$500
fine and imprisonment up to six
months.

A similar bill has been introduced
in the house by Representative Up-
dike of Indianapolis.

The senate also passed a bill pro-
viding heavy penalty for drunken
automobile drivers amounting to
\$100 to \$500 for the first offense
and imprisonment not to exceed one
year. The bill also provides that sen-
tence shall not be suspended and
automobile licenses may be revoked.

An appropriation of \$300,000 for
the establishment of a state police
system was reported favorably out
of the committee and passed to se-
cond reading in the senate.

A boiler inspection commission
and a building inspection commis-
sion were provided for in a bill in-
troduced by Senators English and
VanOrman.

Giving county councils the right to
accept or reject legislation of the
general assembly concerning matters
involving salary increases on senate
appropriation was proposed in a bill
introduced by Senator Batt.

Representative Brown introduced
a bill providing for a five cent stamp
tax on every package of cigarettes
sold and one cent stamp tax on ev-
ery packing of cigarette papers sold
in Indiana.

Carrying amendments which its
friends fear will mean eventual de-
feat, the soldier bonus bill was ready
for second reading in the house to-
day.

The bill provides for the payment
of \$10 for each month in the service
to ex-soldiers and nurses.

Unexpected opposition to the
measure developed in the house to

RUSHVILLE SPECIAL TO LEAVE AT 5:30 P.M.

I. & C. Will Carry High School Bas-
ketball Fans to Connersville
Friday

HIGH SCHOOL BAND NOT GOING

The Rushville basketball special
car for Connersville Friday night
will leave here at 5:30, arriving in
Connersville a few minutes after
six, and in plenty of time before the
doors open, which is set for 6:30.
The 100 tickets, which were sent
over from there, were sold to stud-
ents, and to outsiders. The high
school band will not make the trip,
as the Connersville officials request-
ed them to stay at home.

Both the first and second teams of
the two schools will play, and the
first game will start at 7:15.

The special car, will also have a
trailer if needed, and the round trip
fare has been reduced to 80 cents on
the special. The special tickets can-
not be used on the regular cars, and
the special will leave Connersville at
10:15, following the regular schedule
car at that time.

SLAYER OF RUSSIAN MONK

PRINCE WHO SLEW RASPUTIN NOW POOR RESIDENT OF LONDON

Prince Yessouppoff is said to have been the wealthiest of all Russian noblemen before the downfall of the Czar. He and his wife are now reported living close to poverty in London. All of his wealth went to the Bolsheviks after they captured the Government and he was forced to flee for his life. The Prince believed he was removing a menace to Russia when he killed Rasputin.

IN LOVING REMEMBRANCE

Just one year ago today, at the break of dawn the angel of death came into our home and called dear mother to that land beyond the vale, and as our thoughts go back to the love and patience shown, and the faith that kept her to the end, how we miss her since she left us, but still there is one thought we cherish that when we have made the journey we shall meet her face to face.

In loving remembrance of Mother, Charles Pettis & family.

PUPILS ENJOYING A VACATION TODAY

directed one of the plays at the first of the society.

The senior high school will start off the new semester with an enrollment close to three hundred, the largest in the history of the school. The enrollment at the close of the first semester was 264 and a class of twenty-seven or twenty-eight will enter at the opening of the second semester. The highest enrollment during the semester was 268, but four boys dropped out of school, three of them joining the United States navy.

Mrs. Margaret Morton of this city formerly principal of the New Salem high school, will assist in the junior and senior high school, it was announced today, teaching algebra and grammar.

Very few pupils are expected to enter the first year at the opening of the new semester. J. H. Scholl, superintendent of schools, announced that the children who will be six years old by Monday, January 22, may enter. No new pupils are expected from Jackson township, which

is sending its school children to Rushville this year, although there are reported to be a few old enough to start.

It is said that Jackson township parents have hesitated about starting their pupils at mid-year on account of the possibilities of a consolidated grade and high school in the township this spring. It is understood a movement to that end is under way. All of the small buildings in the township were condemned and an effort to erect a consolidated grade and high school building failed.

FIRE PROTECTION PLANS TAKE SHAPE

and those not owning stock shall be charged with the service and expense of fighting the fire. There is a law providing such a charge may be made by an incorporated fire-fighting force.

Members of the Rushville department who assisted at the fire Tuesday night, stated that the cisterns in the town were exceptional, and Rushville's pumper worked excellently for 25 minutes from one of them. The Rushville pumper went to Milroy in eleven minutes and was throwing water in twenty-two.

Dr. Charles S. Houghland, chief of the Milroy fire department, was in Rushville today and expressed the sentiment of the people of Milroy and vicinity in thanking the Rushville fire department for its prompt response to the appeal for help.

Dr. Houghland said that the citizens of Milroy wanted to pay Rushville for the service rendered, but no one would take any money for it. He stated, however, that some citizens of Milroy felt like they could at least reward members of the fire department to show their appreciation.

Pupils of the seventh and eighth grades, who went to school in the annex which was destroyed by fire are attending school in the I. O. O. F. hall, which will be used until better accommodations are provided.

WARNING VOICED BY LEGION COMMANDER

Alvin M. Owsley Urges United States Not To Disarm Until Other Nations Do.

WANTS AN ADEQUATE FORCE

Anderson, Ind., Jan. 18.—Warning against disarmament by the United States before other nations scrap their implements of war was voiced here last night by Alvin M. Owsley, national commander of the American Legion.

Owsley advocated two national policies of the Legion:

Adequate naval and land forces pending mobilization of the volunteer army.

Ban on immigration for a period of ten years.

"No nation has begun to scrap her navy except America," Owsley declared. "The American Legion believes that ship subsidy or no ship subsidy, America must have a merchant marine."

Owsley called attention to the British and Japanese merchant marines.

He also challenged Congressman Goodykoontz to prove that the Legion was a political organization.

Owsley addressed a meeting in his honor at the Y. M. C. A. which was attended by Governor McCray.

EVANGELIST IS PREACHING

J. L. Thompson Of Oberlin, O., Assisting In Wesley M. E. Services

The revival services are still in progress at the Wesley M. E. church and are meeting with great success; it was announced today, with great crowds attending each night.

The revival is now in its third week and the pastor is being assisted this week by an evangelist, the Rev. J. L. Thompson of Oberlin, O., who is preaching fine sermons, that are having effect, each night, it is stated.

The subject of the sermon tonight will be "The Prodigal Son Modernized" and for Friday night the topic will be, "A Living Sacrifice."

PRESIDENT FEELING BETTER

Day In Bed Brings Improvement In Harding's Condition

Washington, Jan. 18.—President Harding, suffering from an attack of the gripe was feeling better today, it was stated at the White House.

He may not appear at his office today, but he expected to do some work in his study.

He retired early last night, after spending most of the day in bed, and the extra rest has brought a general improvement.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." They "clear" clouded brain and "perk up" the spirits. 15c and 30c.

BEWARE OF DRUGS

Medical Authorities Advise Caution in the Use of Preparations Liable to Contain Powerful Drugs.

Never drug your system to relieve or prevent colds, grippe or "flu." Drugs are liable to affect the nervous system or weaken the heart.

Hot medicinal tea is now recommended by many physicians, because it is best for the human system, acts quickly on the bowels and intestines by eliminating the excess poisonous wastes that usually tend to lower your physical resistance. Just pure refreshing, healthful herbs from nature; that is why millions are now using Bulgarian Herb Tea to relieve and break up bad colds, and also keep the poisons flushed from the system. Many physicians now prescribe Bulgarian Herb Tea, and your druggist can honestly recommend it.

CHARGED WITH BEING IN THE HOODED MOB

E. N. Gray Accused of Being Member of Party That Kidnapped Daniels and Richards

FIRST IDENTIFICATION MADE

(By United Press)
Courthouse, Bastrop, La., Jan. 18.—E. N. Gray today was charged by his friend and neighbor, Fred Eubank, as being a member of the hooded mob that kidnapped Watt Daniels and Thomas Richards before they were murdered August 24.

Eubank testified in the open hearing and declared he was in one of the automobiles held up that night while masked men searched for Daniels, Richards and three others.

"While your car was held up that evening along with the others, did you recognize one of the hooded masked men who stood near your car?" he was asked.

"Yes sir," replied the witness.

"Who was the man you recognized?"

"It was Mr. Newt Gray."

With those words the first identification of anyone even faintly connected with the event that culminated in the murder of Daniels and Richards was brought to light.

Eubank told of being held up a second time the same night by three hooded men. He said he did not recognize any of the latter. After the second holdup he was permitted to continue on his way home, Eubank said.

Eubank told of attending church on the night of the kidnapping and stated that Gray, a regular attendant, was not present.

Bud Jones, summoned to the stand next, admitted he was a klanman but said he was absent from Bastrop on and during the day and night of the murder.

such an extent that friends of the bill decided to go slowly in pushing its passage. FATE OF FIVE MEN IN HANDS OF JURY

Herrin Massacre Trial Draws to Close Today When Judge Hartwell Reads Instructions

MURDER OR NOTHING, HE SAYS

(By United Press)
Marion, Ill., Jan. 18.—Twelve men hold the fate of five defendants in the Herrin massacre trial.

The case went to the jury at 11:10 a. m. Before sending the jury to deliberate, Judge DeWitt Hartwell read lengthy instructions to the twelve men.

"It is not against the law of Illinois for a man to mine coal with men not belonging to the United Mine Workers of America and if a man be assaulted and killed for this and no other reason, the killing is unlawful," the court instructed the jury.

"If one of the accused men committed the crime charged in this indictment and if the four defendants stood by, aided, or encouraged the crime, it is your duty to find all of the defendants guilty."

"It is murder or nothing."

"Your verdict is to be returned separately for each of the five defendants. You are to fix the penalty at death, imprisonment for life or a period of years not less than five, if you find any or all of the defendants guilty."

MOTHERS-IN-LAW ARE CHIEF HOME WRECKERS

Judge Schulman of Chicago Will Jail All Who Persist in Interfering in Children's Affairs

NEWLYWEDS HANDICAPPED

By CHARLES R. LYNCH
(U. S. Staff Correspondent)
Chicago, Jan. 18.—Mother-in-law are the chief home wreckers of today, Judge Joseph W. Schulman, of the Chicago municipal court declared.

Schulman will jail mothers-in-law who persist in interfering in the affairs of their children.

"The mother-in-law puts the finishing touches to more marriages than any other cause," Schulman said in an interview today. "She always butts in and 'blows up' at the critical time."

"The newlyweds of today are badly handicapped anyway when they start out on their matrimonial venture because salaries are much lower, comparatively speaking than in past generations."

"Either the wife must go to work or the couple must face staggering debts."

"They struggle along doing their best and usually working out their own salvation when mother-in-law steps in."

"She upbraids the husband for not making more money, or the wife for being extravagant in clothes or household expenses. She nags until finally the infant home becomes a daily battle-ground which finally lands its casualties in the divorce courts."

"I will put the trouble makers out of the way behind the bars."

WINS HER REPLEVIN SUIT

Gladys Tuttle Given Trunk And John Ferguson Appeals

The case of Gladys Tuttle against John Ferguson and Emma Ferguson, colored people, was heard this morning in Justice Steel's court, in which the plaintiff was awarded judgement on her complaint to replevin a trunk. The defense appealed the case to the circuit court, following the decision of the lower court. According to the evidence, the plaintiff roomed at the Ferguson home, and left for another rooming house, and her trunk was refused her because of rental money. The court also found against the defendant on a cross complaint, demanding \$25 judgement for damages.

The defendant provided \$50 appeal bond, and the plaintiff provided \$150 bond to secure release of the trunk until the case can be disposed of in the circuit court.

occupied area early this morning. They refused information regarding apparently new sanctions.

French headquarters declared the occupying forces are not going into the mines themselves, but hinted at confiscation.

Some of the mine offices of the fuel companies are to be taken over, but the French prefer to proceed slowly with their new measures.

The Germans met these moves with the same passive resistance that characterized their attitude toward the invasion, but some big industrialists of the Ruhr fear hunger may defeat plans of both French and Germans. Food is scarce. Prices are out-pacing the crashing mark. Miners, the best workers now earning 20,000 marks a week, are in a disastrous position.

Outside, two months supplies remained in the occupied area and with France holding canals highways and railroad and the prospect of complete cessation of work at many of the biggest mines and plants of the Ruhr, the situation is serious.

The German coal conferees announced they refuse to confer with the French, the last word having been said.

A barber in a little village near Essen sold picture postal cards of the occupation yesterday. Today his shop was a wreck, smashed to pieces by a German crowd.

Mrs. Floyd Kirkland entertained a few guests Wednesday afternoon with a bridge party at her home in North Harrison street and at the close of the games the guests were served with a luncheon.

Mrs. Mary L. Neutzenhelzer entertained an afternoon bridge club Wednesday afternoon at her home in West Third street. The hostess served dainty refreshments at the close of the card games.

The Ladies Aid Society of the First Baptist church held an all day meeting Wednesday in the basement of the church. At the noon hour the pitch-in dinner was served and the day was spent in quilting and sewing.

Mrs. Marion Pratt of near Sexton was delightfully surprised Wednesday night at her home when her Sunday school class reminded her of her birthday anniversary. A jolly good time was enjoyed by all present.

Miss Florence Cooming entertained about sixteen guests Wednesday evening at her home in North Sexton street, honoring her birthday anniversary. The guests enjoyed the evening with music, dancing and games and dainty refreshments were served at the close of the evening.

A bountiful pitch-in dinner was enjoyed by the Industrial club Wednesday when Mrs. Ella Higgs was hostess to seventeen members of the club. The remainder of the day was enjoyed informally with knitting comforts and piecing comfort blocks.

The regular meeting of the Delphian Society will be held Friday afternoon in the Elks Club rooms in East Second street. The leader of the meeting will be Mrs. Fred Arbuckle and the subject for discussion will be "The Merchant of Venice."

Mother-To-Be, Read This—

Here is a wonderful message to all expectant mothers. When the little one arrives, you can have that moment more free from suffering than you have perhaps imagined. An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy, "Mother's Friend." Mrs. C. J. Hartman, Scranton, Pa., says: "With my first two children I had a doctor and a nurse and then they had to use instruments, but with my last two children I used Mother's Friend and had only a nurse; we had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes."

Note: Write for valuable free illustrated book, "Motherhood and the Baby," containing important information, and all about "Mother's Friend," to Bradford, Regulator Company, 24-25, Atlanta, Ga. "Mother's Friend" is sold by druggists everywhere.

be "The Merchant of Venice." A large membership is urged at this meeting.

Miss Harriet Lee Endres, little daughter of Mr. and Mrs. Lee Endres, entertained a number of her little friends this afternoon at her home in North Harrison street, the occasion being her sixth birthday anniversary. The children played games and enjoyed contests and the climax of the party was serving of the dainty refreshments.

The regular meeting of the Band of Workers of the First Presbyterian church was held Wednesday afternoon at the home of Mrs. Joseph Cowing in North Main street. The regular program and business session was held. The hostess was assisted by Mrs. W. A. Green and Miss Mollie Conner in the serving of refreshments during the social hour.

Fifty guests enjoyed the dinner dance given at the Social Club in North Morgan street Wednesday evening. Mrs. Chase Maury was captain of the division who had charge of the serving of the delicious dinner. A colored orchestra of Indianapolis provided splendid music for the dance after the serving of the repast. A few out-of-town guests were present for the affair.

TEACHERS INSTITUTE TO BE HELD SATURDAY

Walker Township Teachers Will Join With Other Teachers Of County For First Time

NEW TRUSTEE DOESN'T OBJECT

The regular county teachers' institute will be held on the third floor of the court house Saturday and the usual institute program will be followed. There will be one addition to the program when A. L. Gary, himself at one time a teacher and county superintendent of the schools here, will speak to the teachers.

The Walker township teachers, who have been holding their institutes separately on account of the trustee of the township objecting to them joining in the county institute, will be here for the first time Saturday. The new trustee has no objections to the teachers entering in to the county institute.

Prof. Paul Hayworth of Butler college, Irvington, will be one of the speakers Saturday, and the other speakers will be instructors from the state normal school at Muncie and Terre Haute, who speak at the institute regularly.

COMMUNITY MEETINGS SET FOR NEXT WEEK

Gatherings At Homer And New Salem To Be Addressed By County School Officials

SPECIAL PROGRAMS ARRANGED

Two community meetings, similar to those that have been held in various parts of the county by county school officials, have been announced for next week at Homer and New Salem.

The Homer meeting will be held Monday night and the New Salem meeting Tuesday night and the speakers will be Birney D. Farthing, county superintendent of schools; Miss Grace Ewing, county Red Cross nurse, and James G. Miller, county attendance officer. Special programs of music and other entertainment is also being prepared for the Homer session.

Meetings of this character are being conducted in every community of the county to arouse a new interest among the patrons of the schools in the schools and the pupils. The most recent one was held at Carthage and Judge Will M. Sparks was an added speaker.

NEW LIGHTS ARE INSTALLED

Arlington M. E. church Will Also Be Redecorated In The Spring

A new lighting system has been installed at the Methodist church in Arlington. The church is now lighted by five single 300 watt lights in the main auditorium, one in the platform and one in the Sunday school room. The new fixtures are beautiful and perfectly light the church. The entire cost of the new fixtures was made up by the membership before the lights were installed. The church is to be redecorated in the spring and special evangelistic meetings will be held May 13 to June 3, Evangelist E. R. Lewis, assisting the pastor, the Rev. R. A. Ulrey.

SMALL ATTENDANCE

A misunderstanding in the announcements at the Salvation Army church, resulted in a small attendance at the revival services Wednesday night. Many were under the impression that the meetings closed Tuesday night, but, however, they will continue the remainder of the week with a service Sunday afternoon at 2:30 o'clock.

FOUR FIREMEN INJURED

Chicago, Jan. 18.—Four firemen were injured, one probably fatally when the third floor stairway of a Lasalle street building caved in while they were fighting a blaze. The men were thrown to the basement and buried in the wreckage. They were internally injured. The cause of the fire was unknown. Damage was slight.

THE LORD IS GOOD:—O taste
and see that the Lord is good; bless-
ed is the man that trusteth in him.—
Psalm 34: 8.

The Art of Captions

Writers of newspaper headlines,
through exigencies of type limita-
tions, have contributed largely to
the English language coloring, or, at
least, to the coloring of the English
language as it is spoken in America.
And though many of the pet words
never will be found in the mouth of
the average man many a word,
hitherto of a jocose reputation, has
been raised to an accepted standard
of fitness if not actual dignity of ex-
pression. The newspaper headwriter
may be, and often is, quite as wear-
ied and annoyed at the necessity for
sweeping and stereotyped succinct-
ness as the average reader who daily
absorbs "probe" and similar good
and faithful standbys.

Consider, for instance, the ease of
the Daugherty ruling against the use
of liquor aboard ships. A headwriter
is limited by the number of letters
and spaces in a given line—usually
ranging from 13 units to 18 or 19.
"Liquor" frequently was too long a
word in the combination of words
necessary to sum up the body of the
article in two lines of caption. Tim-
idly he turned to "rum", a good
enough word in itself but from past
usage rather meaning something
more than liquor itself. But the word
suited the occasion and day by day
it crept into the headlines. "Hooh" had
served its purposes in another
phase of the liquor controversy. And
so "rum" has come to be accepted as
a synonym for "liquor" though all

liquors are not "rum" strictly speak-
ing.

No headwriter ever hoped or in-
tended, rather is it the opposite; that
his use of "youth" and "slain" and
such nice little aides-de-camp ever
should get into the mouths of the
"mob". Both are good words, how-
ever, in newspaper-making because
they are handy and expressive,
"eye" words and maybe justified for
no other reason. A "youth" implies
something more than a "boy" and a
little less than a "man" as meas-
ured in terms of years. Hence they
are descriptive and accurate.

When Coal Goes to Museums

Bituminous coal production in
1922 was at a low-water mark, ac-
cording to figures for the past six
years supplied by the Geological
Survey. These figures show that
whenever the production has fallen
off in any year that the reason has
been due to strikes and lockouts.
Every man who is now a purchaser
of coal is making his own figures
concerning the folly of industrial
conditions within the coal mining
industry. When he finds one, two, or
three dollars a ton added to former
prices he is ready to concede that
"something ought to be done about
it." "Somethings" always is done.
Usually it is an investigation by the
Senate or House, but this year it is
different because a commission is
"fact-finding", and it is safe to pre-
dict that when the facts are all col-
lected they will be quite the same as
the preceding "facts" in the sen-
ate files, or in the house, pigeon-
holes, brought out in many former
exhaustive investigations.

About the only original observa-
tion—past, present and future—
was made by a progressive thinker
the other day, who mused philoso-
phically: "A hundred years from
now people will wonder how their
forefathers could have been so stu-
pid as to dig and crawl down into
the depth of the earth to find some-
thing to make heat of. And their
wonder will not decrease when they
read how from a quarter to a half
of all the energies of the railroads
were used up in hauling this under-
ground heat-producing substance to
millions of particular spots where it
could be burned in order that the
smoke and the blaze of the fire might
be used on the premises."

The Hodge-Podge By a Paragrapher with a Soul

People who offer the most
criticism generally have the
least to recommend them as
models to follow.

The man who leaves home has
the largest measure of success,
in the eyes of the world, be-
cause he supplies all the evi-
dence.

The chief business of direc-
tors is to draw their salaries.

It takes a wise person to
know when to begin, when to
stop and when to say in be-
tween.

If some folks had to live by
their wits, the cemetery would
be overcrowded.

A number of people never
vary the regularity of their
church attendance—they never
attend.

The chief trouble with Eur-
ope is the eternal prevalence of
trouble.

SAP AND SALT

BY Bert Moses

Every man is a "sucker" now and then
no matter how smart he is.

Conscience is something that absolutely refuses to be
sugar-coated.

Be glad if you have a poor memory; most things ought
to be forgotten.

Experience that keeps you awake night is the kind that
does you the most good.

If you make good use of your experience you become
smart; if you don't you remain a fool.

Providence has a way of letting everyone make as big
a nuisance of himself as his faculties allow.

NEZ HECK SAYS:

"By the time you find a place to
park your car these days the show's
over."

PEOPLE'S SAYSO

Upheld The Colored Race

Dear Mr. Editor of the Rushville
Republican: Please allow me space
in your valuable paper to ask a few
questions of one Mr. Moore who
preached to such a large audience
last Sunday at Noblesville. I wish
him to inform me and the public
where is the colored man's place?
Is it to be hewers of wood and car-
riers of water all the days of their
lives? Is it in the battle front as
it has been since the revolution when
two-fifths of that army was colored
men, and after Independence was
gained were told by Washington to
go home to their masters and be good
boys? Is this where Rev. Moore
wants the colored man? Is it in
the defense of this great republic in
the war of 1812 with Great Britain
that the colored man's place is?
Or in the war of 1818 with Great
Britain when it was first said by
General Jackson that the colored
troops fought nobly.

Is it helping out to put down one
of the most gigantic rebellions this
country ever had when the colored
man bore his share of the burden
manfully? When two millions of
them came to the rescue and helped
this great nation and made it what
it is today, the freest and most
glorious nation under the sun?
And be it known that until the
colored troops came into the field
reverse after reverse befell the
United States troops. Is this where
Moore would have the colored man?
I see that all that is wanted is the
abolition of the God given rights,
the rights to life, liberty and pur-
suits of happiness. Oh, no more of
this for the colored man.

Let me ask where is the colored
man's place and where do you want
to put him? Under the 13th, 14th
and 15th amendments he is an
American citizen, the same as
you are and where is your place?
My Bible teaches me that whatever
is not of God is of the devil. No
spring can send forth both sweet and
bitter water at the same time. Just
come and think of it. A man cur-
rying God's messages to fallen man
and his heart full of blasphemy
polluting the world of God!

I will say to this man Moore to
never try to preach again until he
has been and washed his garment

white in the blood of the lamb, and
can stand before the Lord without
wrinkled spot or blemish and then
he will have found the place for the
colored man. As to intermarriages,
the whites started it and are now
squealing about it. Go with me to
the south if you please and there
you will see half-breds, quarter
breeds and all breeds under the sun,
all caused by amalgamation of white
man with the colored race.

Little are people aware that in the
days of slavery men sold their own
sons and daughters. If the shoe
should pinch, Brother Moore, grin
and bear it. Where is the colored
man's place? In heaven? No. In hell?
I see they have a white supremacy
league in I wonder what the con-
stitution contains. Let me say here
that God never made one man su-
preme over another, but the supre-
macy of one man over another is of
devil and man made. God made
but one man and one woman and
therefore the Bible says out of one
blood God created all nation to dwell
on the face of the earth, not su-
preme one to another but as brethren.
They talk much about one hundred
per cent American. Have they for-
got that the constitution is one hun-
dred per cent American and the 13th,
14th and 15th amendments are one
hundred percent American.

If Mr. Moore does not think that
America is not full of patriotism, let
an enemy touch her and see what
happens. You had better stick your
head in a hive of bees.

Their past record is not good and
be it remembered that everything that
glitters is not gold. For this patri-
otism turn your minds to Gettys-
burg, Antietam, Petersburg, Lookout
Mountain, Murphysboro and then the
Spanish American war, and last but
not least, the word war in Europe.
Here is one hundred percent Ameri-
canism and do not try to make this
great country of ours believe they
are not right and like a wolf in
sheep's clothing get in and read
them to pieces. The people will say
when they look back at past records,
let well enough alone.

Red Pepper Heat Ends Rheumatism

Red Pepper Rub takes the "ouch"
from sore, stiff, aching joints. It can
not hurt you, and it certainly stops
that old rheumatism torture at once.

When you are suffering so you can

Pepper Rub and you will have the
quickest relief known. Nothing has
such concentrated, penetrating heat
as red peppers. Just as soon as you
apply Red Pepper Rub you will feel
the tingling heat. In three minutes it
warms the sore spot through and
through. Pain and soreness are gone.
Ask any good druggist for a jar
of Rowles Red Pepper Rub. Be sure
to get the genuine, with the name
Rowles on each package.

NERVOUS WOMAN COMPLETE WRECK

Tells How She Was Made
Well by Lydia E. Pinkham's
Vegetable Compound

Indianapolis, Indiana.—"Now I want
to tell you just what induced me to take
your medicine. It
seemed that I had
some kind of weak-
ness so that I could
not carry a child its
full time. The last
time I was troubled
this way I had a ner-
vous breakdown and
was a complete
wreck. The doctor
thought I would not
live, and if I did that
I would never be well
and strong again. But I told them I was
going to get well, that I was not going
to die just then. My husband got me
Lydia E. Pinkham's Vegetable Com-
pound and I took six bottles of it. I
soon got strong again and had three
more children. I have recommended
the Vegetable Compound ever since, and
if you could see me now you would think
I had always been well."—Mrs. MARY
F. HERRICK, 234 Detroit St., Indian-
apolis, Ind.

Lydia E. Pinkham's Vegetable Com-
pound is an excellent medicine for ex-
hausted mothers and should be taken
during the entire period. It has a gen-
eral effect to strengthen and tone up
the entire reproductive system, so that it
may work in every respect effectually
as nature intends.

STRIKING RAIL MEN ARE FLOGGED

Mob Law Spreads In Northern Arkansas Following Outbreaks In Which Man Was Lynched

ENTIRE COMMUNITY ARMED

Ready To Enforce Decrees of "Citizens Committee" And "Citizens Court" At Harrison

Harrison, Ark., Jan. 18.—Mob law spread in northern Arkansas today. Striking railroad employees have been flogged at Leslie and other points along the Missouri and Northern Arkansas railroad following outbreaks here in which E. C. Gregor was lynched and twenty persons were beaten and deported.

The entire community was heavily armed ready to enforce decrees of the "citizens committee" and "citizens court", set up by the mob of business men and farmers who massed here Monday to prevent paralysis of train service on the railroads. Shotgun were boldly carried through the streets and revolvers slung from leather holsters hung at the side of others.

Harrison was quiet on the surface today as the "citizens committee" continued rounding up strikers and questioning them regarding burning of bridges and other acts of sabotage. Some were flogged after the quizzing and others were ordered to leave.

Wild rumors were heard on all sides. One was that armed men were coming over the hills from Missouri to oust the rulers here.

The state legislature has ordered an investigation of the lynching of Gregor and the flogging of strikers. The investigation was expected to get under way tomorrow.

A grand jury investigation made under the eyes of the mob returned 16 indictments on the charges of bridge burning and others against the railroad.

Sheriff Maddox and a corps of deputies before sun-up began hunting the hills for the indicted men.

The "citizens court" and "citizens committee" were reported working with the approval of the circuit court. Twelve men of the "citizens court" were said to be under oath as officers of Boone county. Fifteen scores from the "committee" early commissions as special deputy sheriffs they said. Sheriff Maddox indicated such an arrangement had been made.

Indiana Briefs

Fort Wayne — The source of the epidemic of small pox here has been traced by Dr. J. H. Gilpin, city health officer, to two Harlin Ind., men who recently came to Fort Wayne to work in the railroad shops.

Hartford City — J. W. P. Smith became so interested in working on his automobile that he did not realize he was breathing gas from the engine and as the result was unconscious for several hours.

South Bend — A South Bend church society has forwarded a check for 500,000 marks, or \$50, or \$125.00 before the war, to Germany for the benefit of War sufferers.

Centerville — Mrs. Sarah A. Jerret, 97, believed to be the oldest woman in Wayne county where she lived all her life is dead at her home here.

Wabash — H. C. Wilcox, a farmer residing near here made \$50 "on the side" recently from three red foxes which he trapped on his land.

Tyner — Indiana farm lands are higher than ever, according to Dr. J. W. Edison who paid \$300 an acre for a farm near here.

Columbia City — Claiming that he was the president of the Vandalia railroad when arrested for drunkenness, Charles H. Miller came down from his pedestal in city court and admitted he was "just a common hobo."

Bluffton — Wells county authorities are seeking Joseph Mercer and Frank Seger who escaped from jail here by climbing through a hole little more than a foot square, used for passing food into prisoners.

Piercetown — Hiram Finton, 85, is dead at his home here following three days of almost incessant hicoughing.

Evansville — Emery Dyer, ex-deputy coroner and checker champion of the court house here, has been forced to give up the sport temporarily due to rheumatism in his arms.

U. S. Invincible at Tennis

By HENRY L. FARREL
(United Press Sports Editor)

New York, Jan. 18.—Picking the ten best tennis players in America last year wasn't near the job that it was in 1921. Performances of the leading stars were so outstanding that they adjusted themselves almost automatically.

Tilde, Johnston, Richards and Williams as the leaders among the men players were foregone conclusions. Their records made mistakes impossible.

Many critics found fault with the judgment of the ranking body in placing Wallace F. Johnston, the Philadelphia cut-stroke expert, in

fifth place. It wasn't that he is not highly regarded as a tennis player, but because he competed in less engagements than some of the players listed below him.

Mrs. Molla Mallory, of course, could be placed nowhere but No. 1 among the women players. She may not be the greatest player in the world, but she was the best in America last season.

In placing the Boston girl, Miss Leslie Bancroft, in second position, the committee bumped up against some criticism from the friends and followers of the California girl star, Helen Mills.

Miss Bancroft did beat the California girl several times during the season, but no one gave Mrs. Mal-

lory the number of stiff battles that little Helen did.

Some critics also found fault with the committee for failing to include Miss Mary K. Browne, the former champion, on the list.

Ranking the ten best tennis players or the ten best performers in any branch of sport is strictly a matter of opinion, and there always will be difference in opinions.

No ranking ever will be generally accepted as perfect, but the work of the tennis committee last year was as near as humanly possible to perfection.

Fear that the game of William Tilden would be impaired by the amputation of a part of a finger on his racket hand seems to be unfounded.

The real nature of the handicap will not be known until the champion gets down to some real competition.

In his first match of the indoor season he did not seem to be crippled, and as he is of the type of player who is at best when the go-

ing is the hardest, there is no reason to put on mourning for him so soon.

Much was made over the alleged poor form shown recently by Mlle. Suzanne Lenglen, the world's woman champion, in defeating Mrs. Satterthwaite, British star, at 6-4 and 6-2 in the Cannes championship.

It was the first appearance of the French girl in the Winter season, and it is not surprising that her game might have been off some.

Super-champion like Mlle. Lenglen are forced into the position of always playing a super-game or being classed as a "go-back."

European nations and the far eastern countries have rather generously admitted that the United States is getting more and more into a class where it will be invincible in tennis.

Interest shown by youngsters in the game, and the rapid development of the juniors is getting ready for Uncle Sam a class of Davis Cup defenders that ought to be as capable as Tilden, Johnston, Richards and Williams.

Twenty Juniors and twenty boy players were found good enough by the association to place on the ranking list and that speaks a plenty.

Hittin' 'Em and Missin' 'Em

WHY NOT MAKE 'EM LIKE IT?

As Hittin' 'em has advised before, there is only one thing to do Friday night, and that is for you to do the right thing—beat Connersville. It is the only fair thing to do. They beat you over here December 15.

NO CHANCE NEWCASTLE

The greatest surprise of the season springs from Newcastle. They expect to beat Richmond Friday night. But Newcastle, Rushville fully expected to do the same thing a few weeks ago, but after Hittin' 'em saw Richmond perform, he has decided that Richmond belongs some place in that Big Ten list.

But even at that, we're pickin' Anderson.

MAYBE TO BE KNOCKED OFF

Hittin' 'em means that he is still pickin' Anderson until January 26, and maybe he will keep on pickin' 'em then. On that night Vincennes plays up there, and the eyes of all high school basket fans will be focused on that game.

WE BET LOUIE KNOWS ABOUT THIS

Wabash college takes a big wallop at Hittin' 'em. Just listen to what comes to us from "Wabash '26"—"Have been reading with much interest your column. In the issue of Jan. 14, you referred to the Rushville team as 'the Scarlet aggregation.' Now we may lose a few games down here, but please don't humiliate a noble quintet by grabbing off their nickname, thereby classing them with a team that misses quite a few."

YOU OUGHT TO FEEL COMPLIMENTED

Well Wabash '26, you may have a noble quintet, and all that but we have also got one of the men who helped make it a noble quintet, as the mentor of the team. His full name is H. Warren Jones, and he played on Wabash when they couldn't find any team to come any way near 'em. Just give him a chance, and you will be mighty glad that Wabash produced such a coach. He wears the four letter sweater, with the big W in the middle, and many times when the Rushville takes the floor, people along the sidelines hon-

estly thinks that it is Wabash college.

EVEN SALLY WAS PUZZLED

Now Sally, who lives down near our alley, had just asked us that question today. She wanted to know what the big man always wore that red sweater for, and why he didn't change that letter from W. to R. She said that she first thought he was one of the players, but knew that he didn't live here. Now listen, Sal, ol' girl, he is the coach—the fellow who tells the boys how to play. The W was given him when he went to school down at Wabash—you understand! The W. stands for Wabash. Yes Hittin' 'em knows that R stands for Rushville, but say, it is terribly hard to explain those things to you. Oh no, we don't know how much it cost, go and ask him.

A REAL IRON MAN

That Mt. Auburn team which was defeated at Moscow, had a sturdy forward. Why not, when his name was Iron.

SAY NEWPOINT, DON'T FORGET TO SEND 'EM HOME

Moscow fans are enthusiastic and are planning to move Orange township to Newpoint Friday night, writes one of the close followers of Coach Means' basketball squad. Newpoint has quite a record, but what ever you do Moscow, bring home the bacon.

That is what Rushville is going to try to do over at Connersville on the same night.

MOSCOW TO PLAY FIVE FROM DECATUR COUNTY

Newpoint Has Defeated About Every Aspirant and is Expecting to Conquer Invaders

SCHEDULE FOR MOSCOW FIVE

The Moscow high school basketball team will journey down to Newpoint, in Decatur county Friday night, and a great game is anticipated. Newpoint has defeated about everything in Decatur county twice and has beaten three teams worse than Greensburg did. A large crowd of fans will go with the Moscow team.

Moscow will play St. Paul at Blue Ridge on Saturday night, and the schedule for the remainder of the season is as follows:

- Jan. 24—Moscow at Westport.
- Jan. 26—Moscow at Raleigh.
- Jan. 31—Milroy and Moscow at Blue Ridge.
- Feb. 3—County tourney, Rushville.
- Feb. 10—Arlington and Moscow at Blue Ridge.
- Feb. 14—Webb and Moscow at Blue Ridge.
- Feb. 16-17—Tri State tourney, Cincinnati.
- Feb. 23—Moscow at Morristown.

RALEIGH TO TAKE ON LAUREL FRIDAY

Washington Township High School Basketball Tossers Going in Rapid-Fire Fashion

REMAINDER OF SCHEDULE

The Raleigh high school basketball team, which has been making a good record this year, is expected to finish their season in whirlwind fashion, and their opponent on Friday will be Laurel on the floor at Raleigh.

The Washington township school has been making fast strides and several weeks ago held Milroy to a low score. The remainder of their schedule is listed as follows:

- Jan. 19—Laurel at Raleigh.
- Jan. 23—Raleigh at Carthage.
- Jan. 26—Moscow at Raleigh.
- Jan. 30—Webb at Raleigh.
- Feb. 2—Arlington at Raleigh.
- Feb. 3—County tourney, Rushville.
- Feb. 9—Raleigh at Milroy.
- Feb. 16—Open.
- Feb. 23—Raleigh at Webb.

COMB HAIR AND IT STAYS

"Hair-Groom" Keeps Hair
Combed All Day—Glossy,
Well-Groomed

Millions Use It—Fine for Hair!

—Not Sticky, Greasy or Smelly

A few cents buys jar of "Hair-Groom" at any drugstore, which makes even stubborn, unruly or shampooed hair stay combed all day in any style you like. "Hair-Groom" is a dignified combing cream which gives that natural gloss and well-groomed effect to your hair—that final touch to good dress both in business and on social occasions. Groseless, stainless "Hair-Groom" does not show on the hair because it is absorbed by the scalp, therefore your hair remains so soft and pliable and so natural that no one can possibly tell you used it.

COLORS CHANGE IN PICTURES

CHOOSING COLOR SCHEMES FOR MOTION PICTURES

If you have ever visited a motion picture studio the chances are that you have expressed regret that the beautiful colors used were not reproduced on the screen. Although, in the majority of cases the color arrangements are a delight to the eye they are not chosen by motion picture technicians simply to please themselves. Every color in the spectrum registers differently in the black and white of the motion picture film. For instance, red photographs black, blue photographs a very light gray and so forth. Covering the walls of the technical department are numerous patches of various colors. Some are solid colors, others bear patterns and strippling of all sorts. Below these color patches are photographic reproductions, showing just how they would look on the screen.

NEFF'S CORNER

MOTHER! BREAK CHILD'S COLD

Hurry! Move Little Bowels with
"California Fig Syrup"

Whatever else you give your child to relieve a bad cold, sore throat or congestion, be sure to first open the little one's bowels with "California Fig Syrup" to get rid of the poisons and waste which are causing the cold and congestion. In a few hours you can see for yourself how thoroughly it works the constipation poison, sour bile and waste right out. Even if you call your family physi-

cian he will praise you for having given "California Fig Syrup" as the laxative because it never fails, never cramps or overacts, and even sick children love its pleasant taste. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.

Sees Return of Dutch Treat As a Cure of Flapper Morals

Chicago, Jan. 17—"Sheba" and her "Shiek" will go it 50-50 on all bills for amusement, if the recommendations of Dr. H. N. Bundesen, Chicago health commissioner are followed.

Bundesen today declared that the return of the "Dutch treat" between girls and boys would be one of the greatest factors in correcting the morals of the modern flapper.

"Girls should pay their own way," Bundesen said. "Mothers and fathers should not allow daughters to go out with young men unless they have enough money to pay for half of the entertainment."

"We know the greatest temptation a girl has is caused through lavish young men who shower gifts upon her."

"Such attentions place her under an obligation. This obligation should be removed."

"The average girl earns enough to defray her expenses and if she can not pay for her amusements she is living beyond her means."

"I talk to thousands of girls, social outcasts, and I know that if they had paid their own ways their lives might have been different."

"It's the girl today who has the distorted values, who places a bit of jewelry or a dress as more important than her future or her life."

OPERATED ON FOR LOCKJAW

Wilbur May, living near Sexton, was operated on Wednesday morning at the Methodist Hospital in Indianapolis. Mr. May had lockjaw and the operation was for the purpose of removing a wisdom tooth which was thought to be the cause of the jaws being locked.
